Hirschi High School

Wichita Falls, Texas

Volume 14

Foreword

In the spirit of the celebration of our nation's two hundredth birthday, the yearbook staff is proud to present this Bicentennial Edition of the '76 HUSKY.

YOU WERE THERE when history was made... both as we looked to the heritage of our fathers and as we prepared for the future. We believe that the success of our year is built on the past and that the success of our future is dependent upon today. As you relive the history of 1975-76, we hope that we have captured the memories which will bring delightful recollections of this very special year.

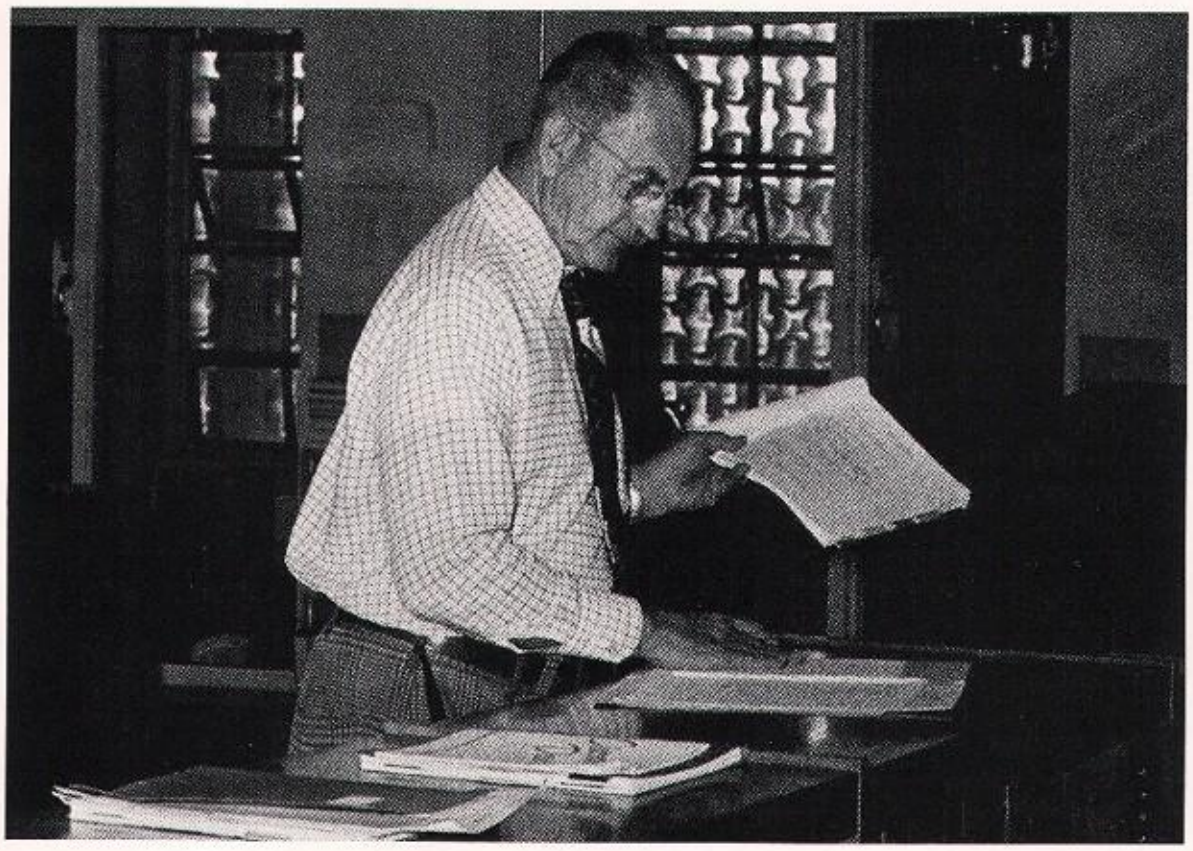
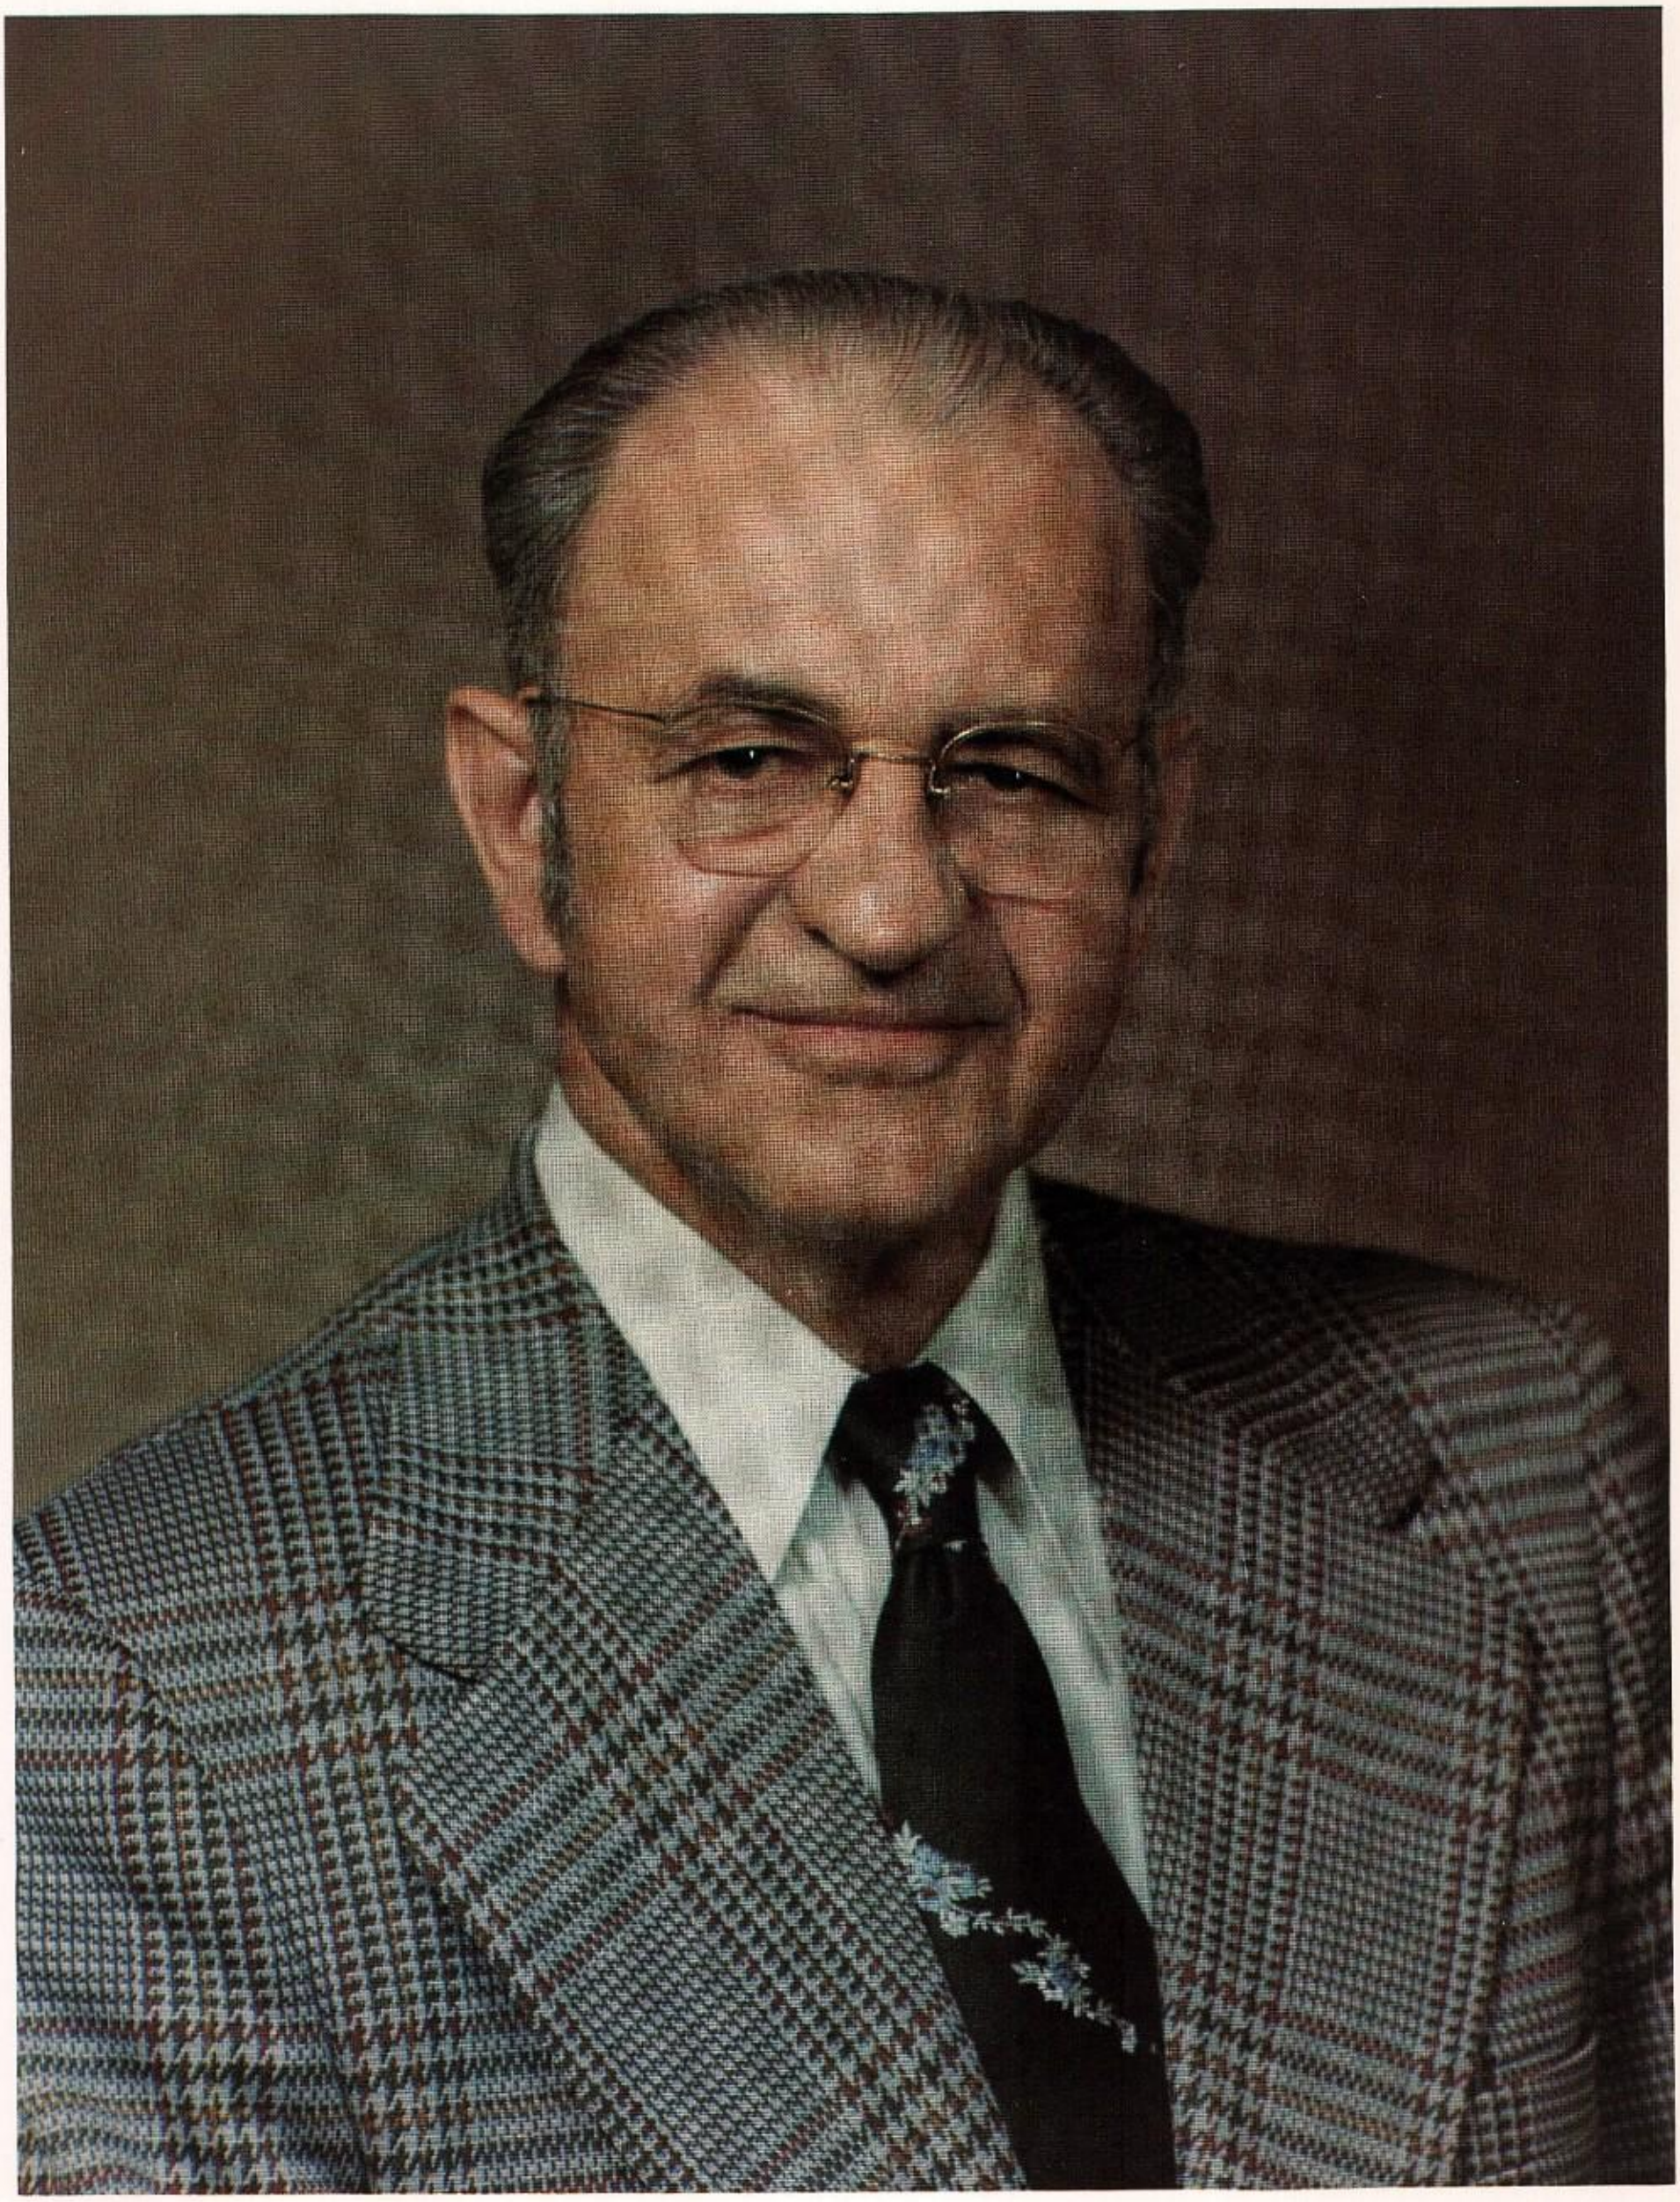
An important part of the everchanging face of Hirschi is the position of "principal". Fulfilling this demanding role for the past five years is MR. JOE K. REED. Huskies, past, present, and future, will appreciate the love and devotion he has shown us in his years at Hirschi. As Huskies, we ask affectionately ...

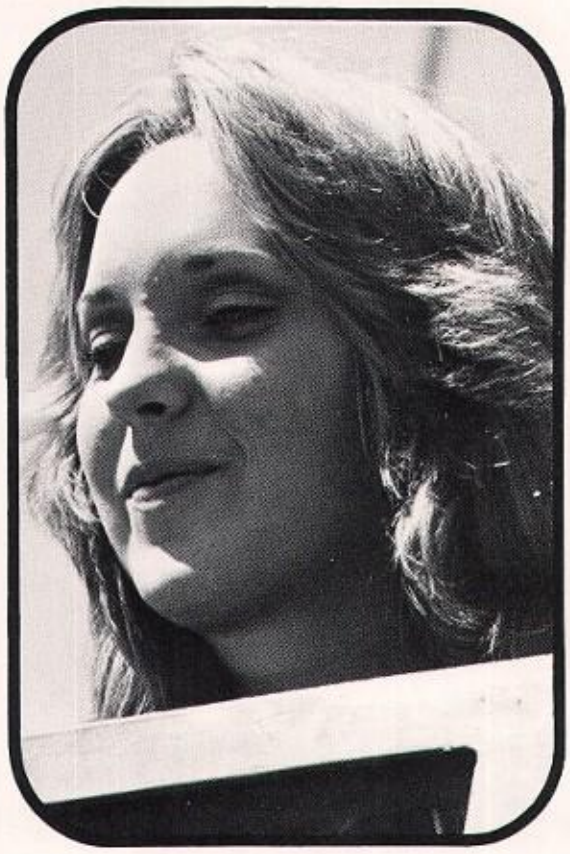
How's Your Business, Mr. Reed?

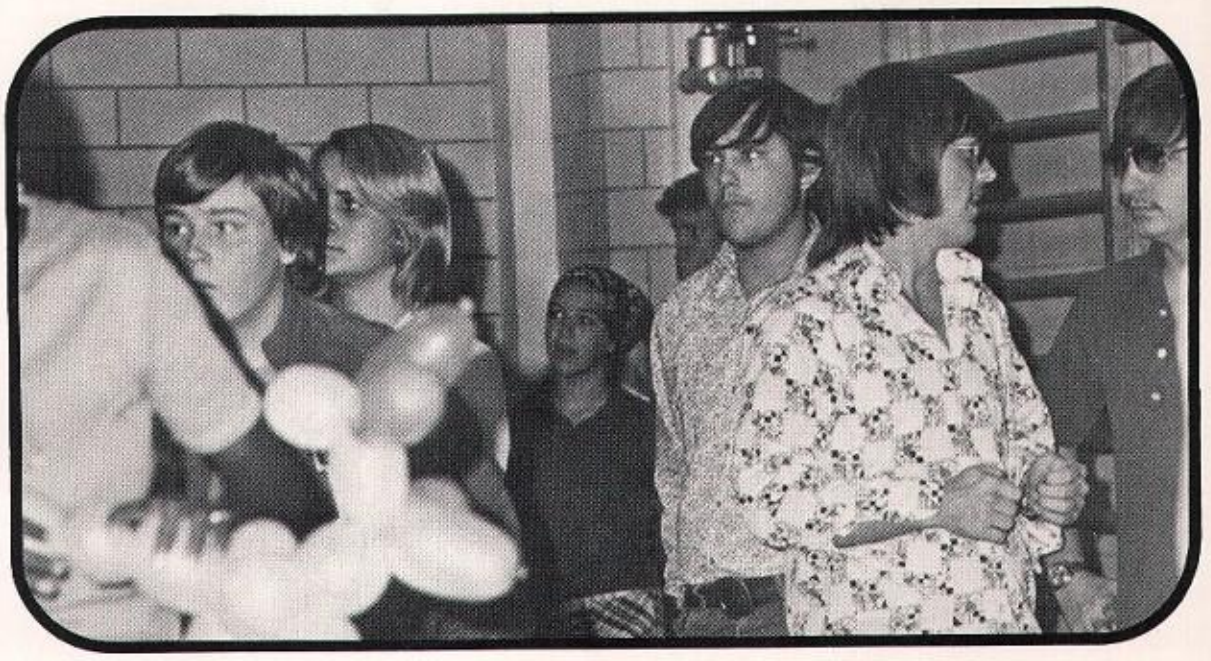


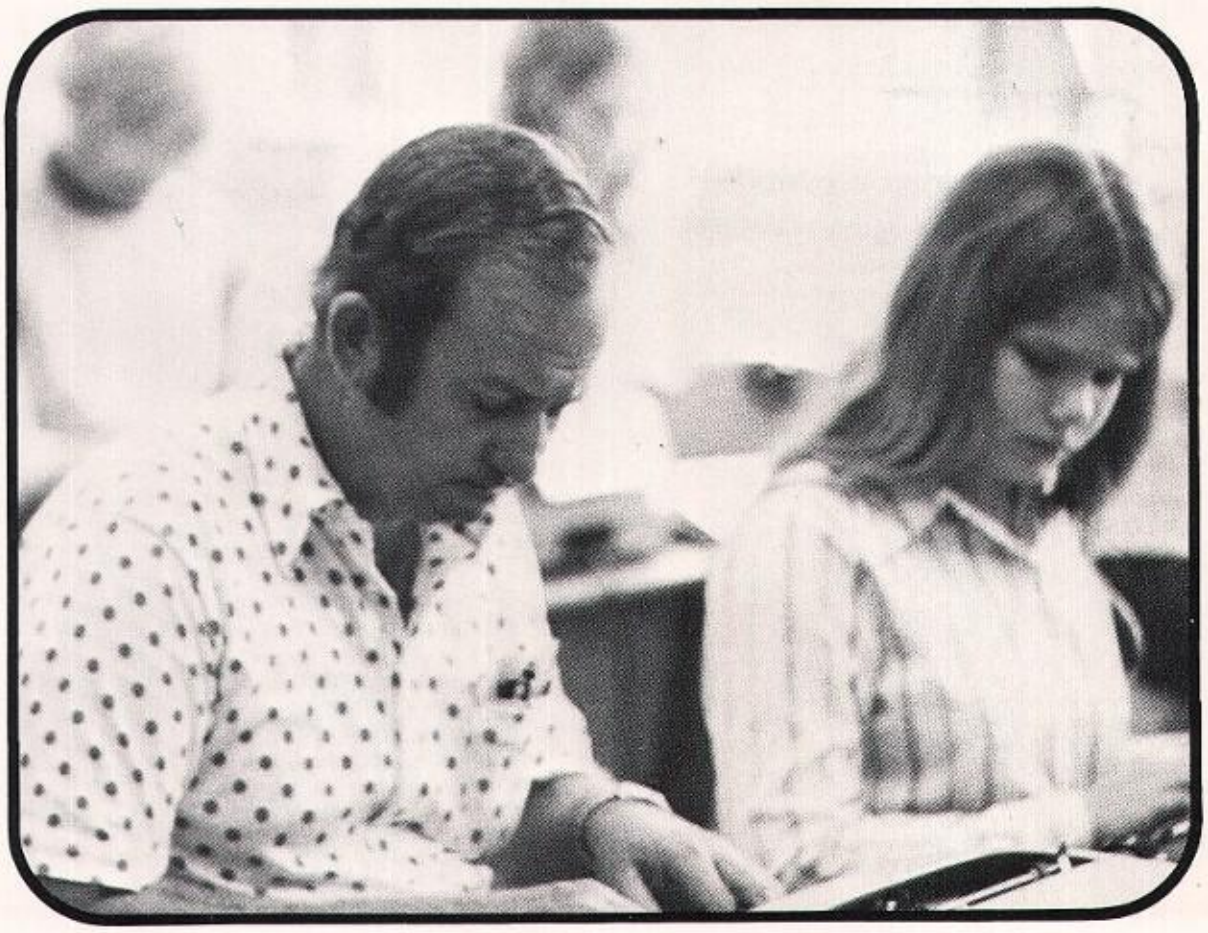


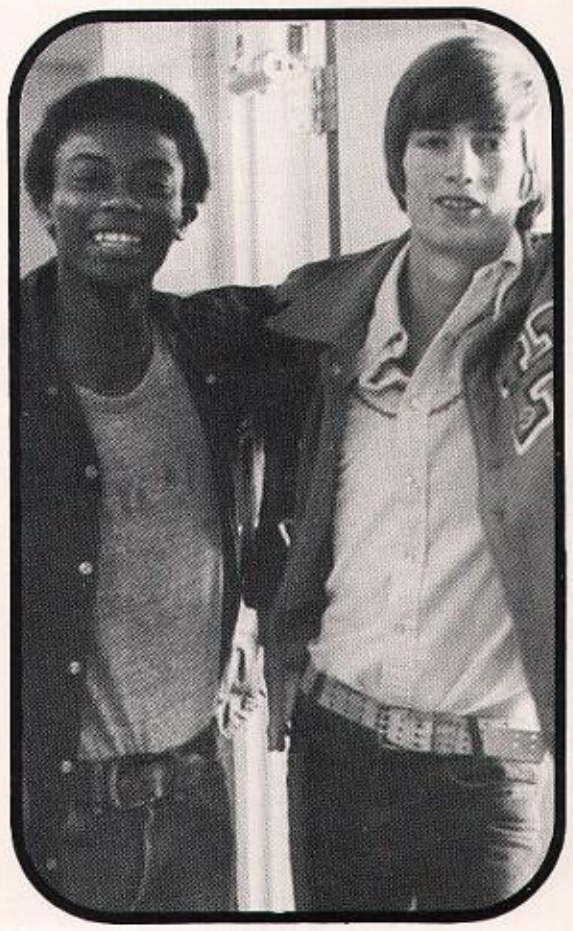
Kendi Shaw

You Were There



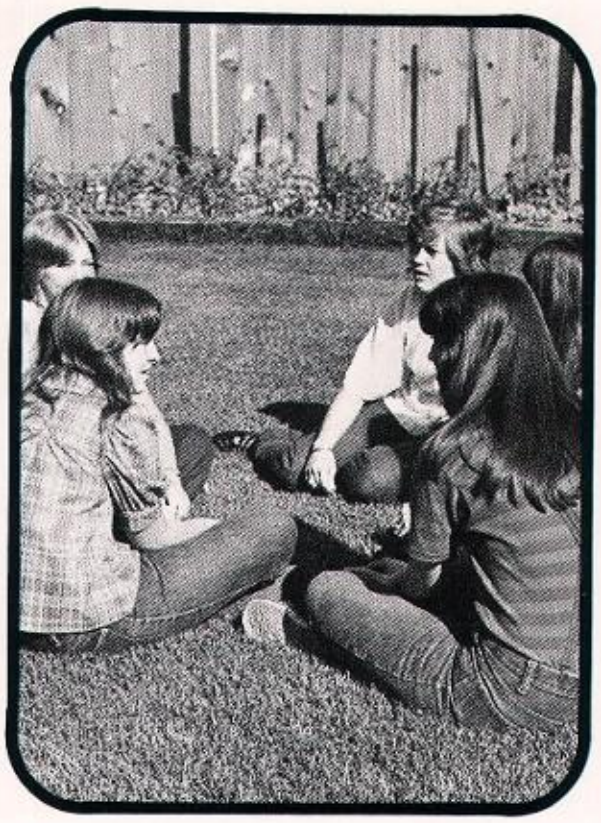


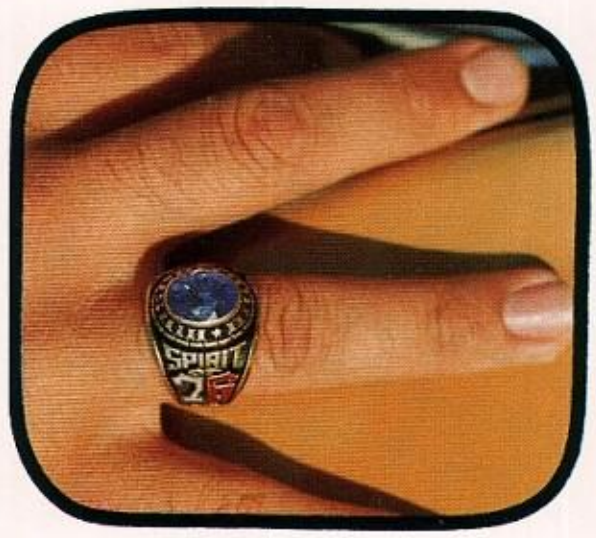


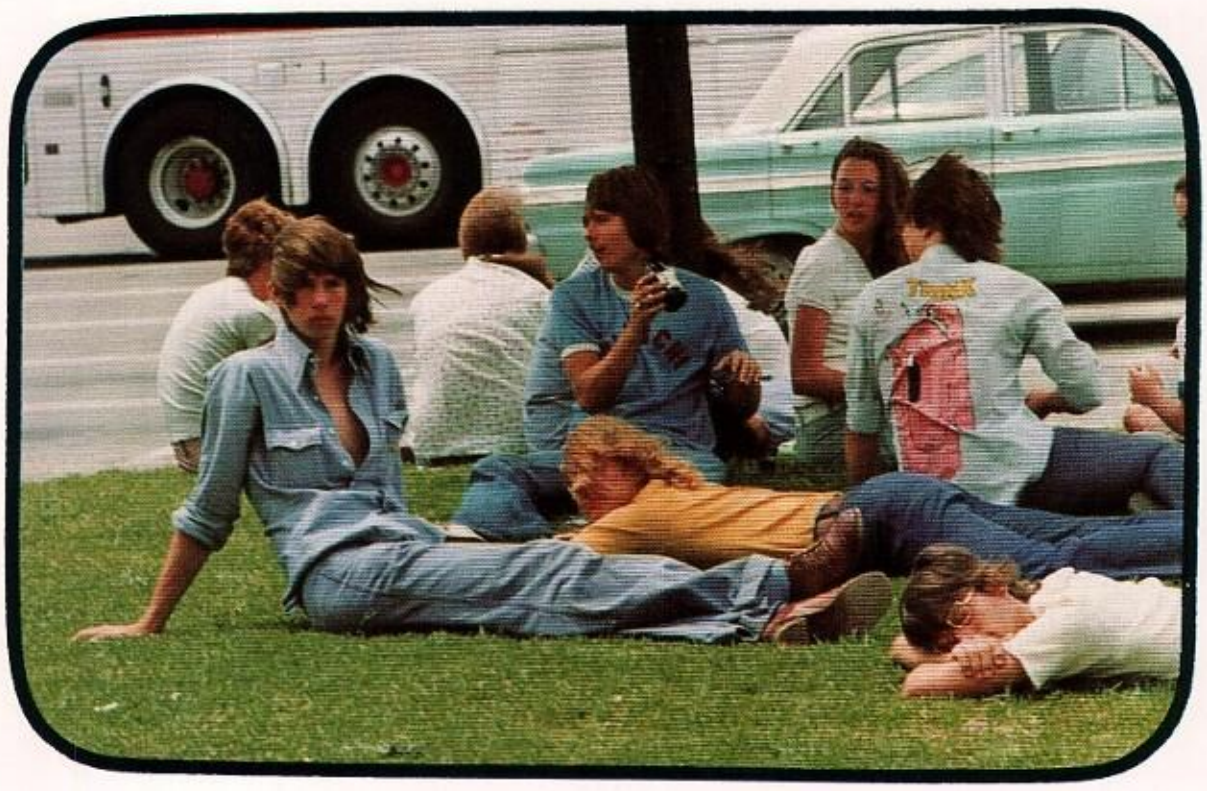


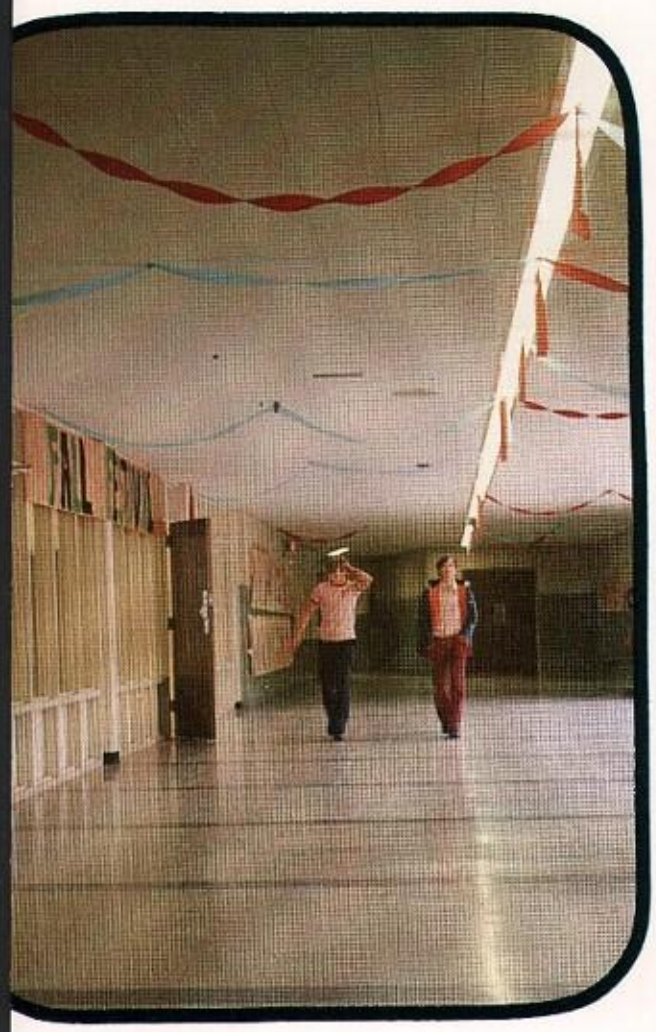
"Uncle Sam" has always stood for America, whether he was on posters wanting "you", or the center of political cartoons. His person is easily recognized as the representation for the United States in all countries of the world. His creator set up a character which will withstand the passing of time, just the way Hirschi High School continually produces young men and women whose thoughts and ideals will also withstand time's pace...

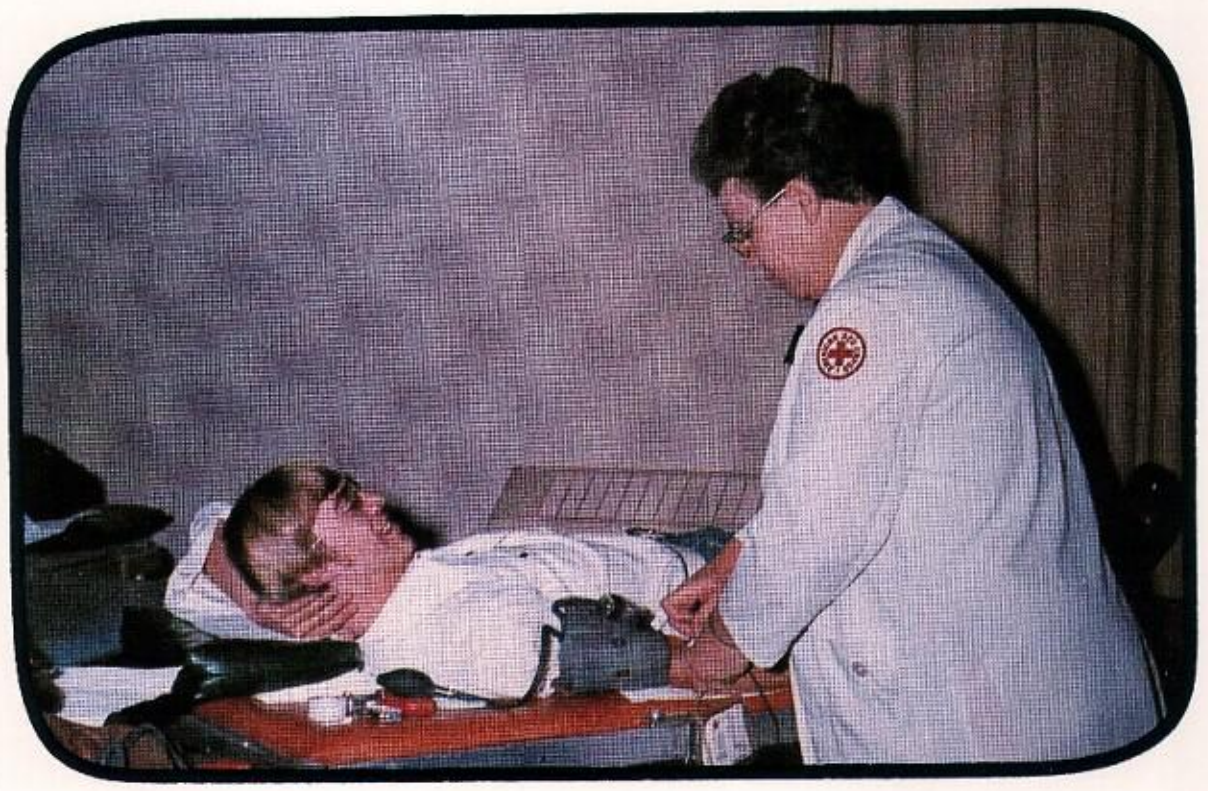
Liberty . . .





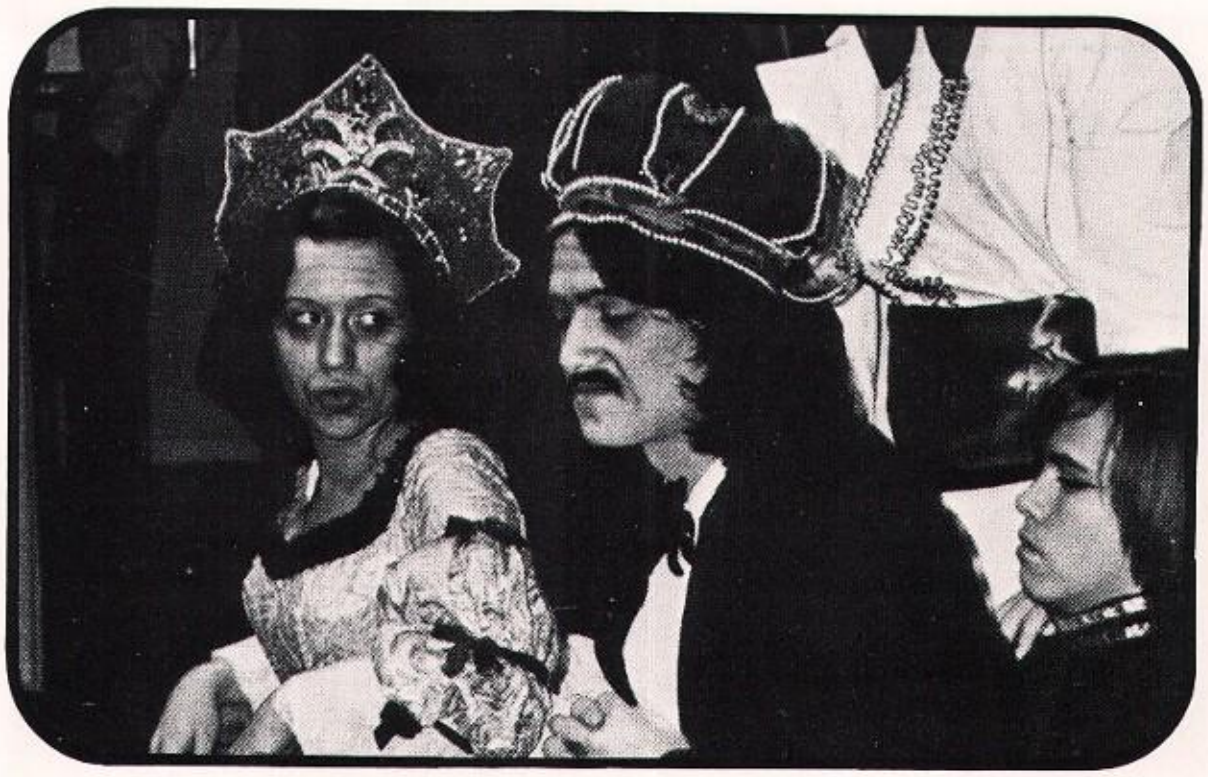


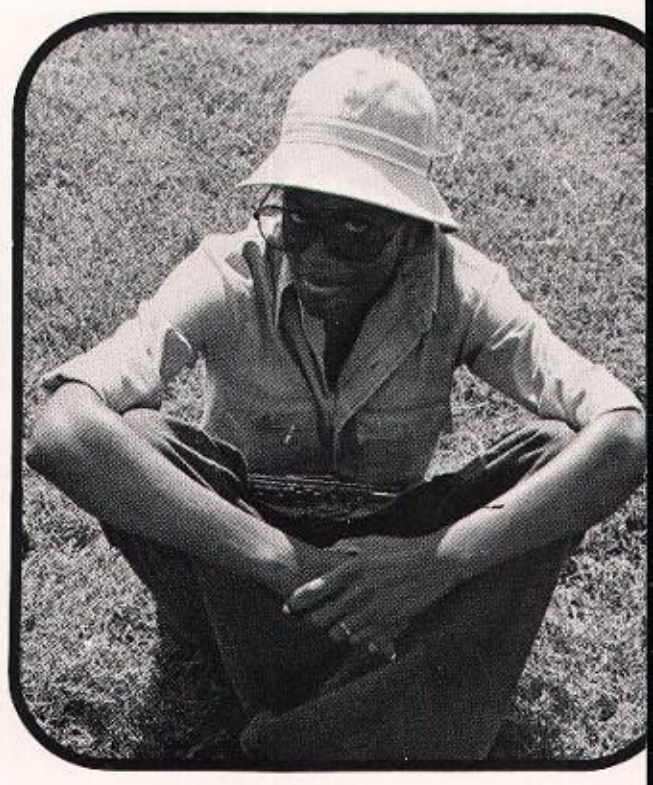


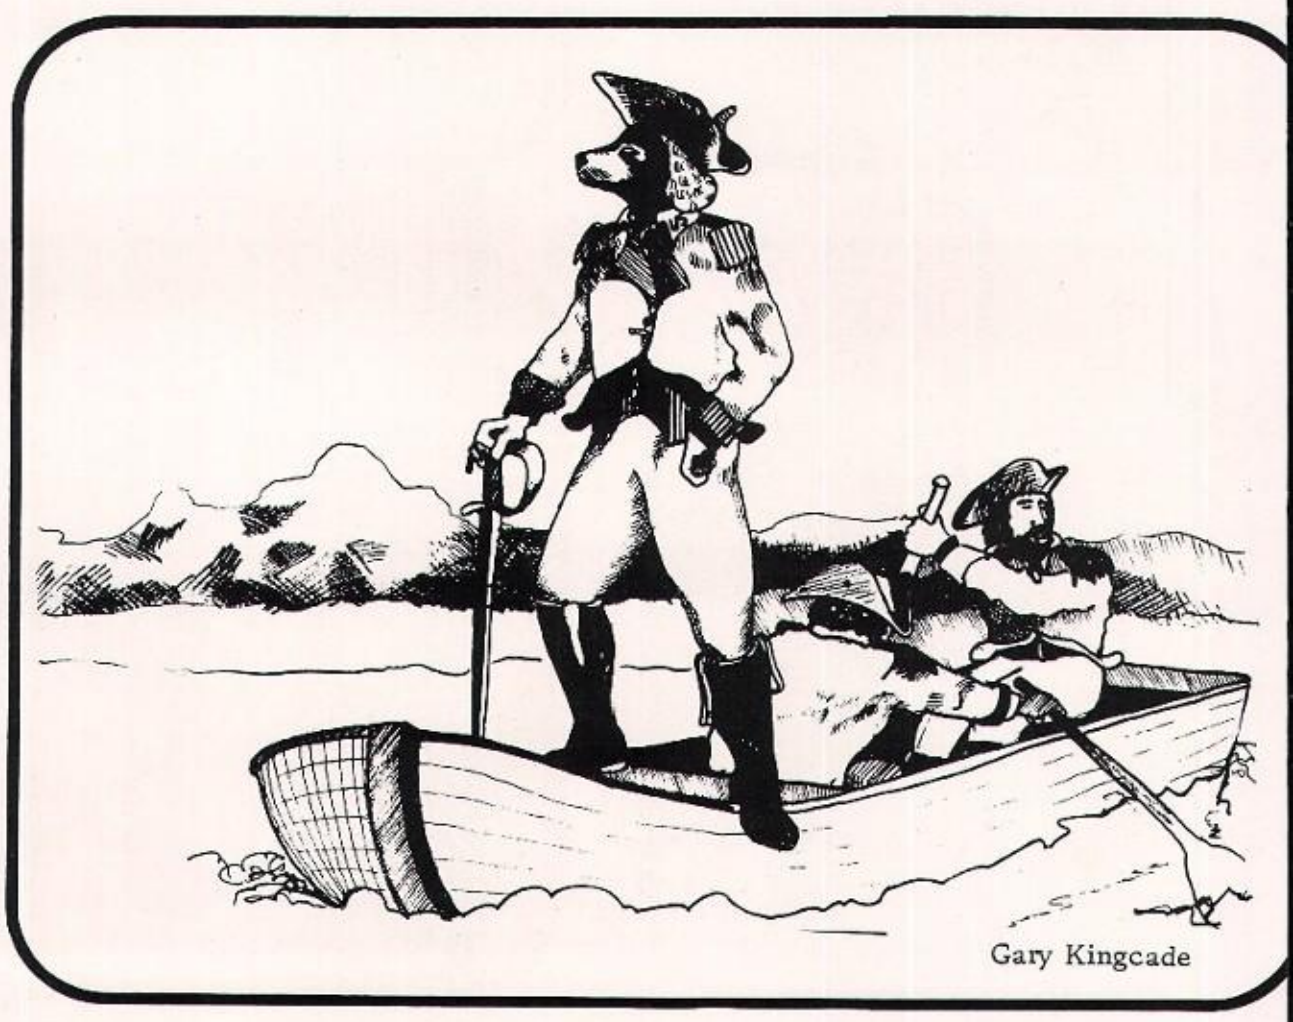


...the right to do our own thing in our own way. Liberty and freedom are perhaps the two greatest gifts on God's earth. Often Americans overlook and do not appreciate the efforts of our forefathers; if they stopped to think about how great it is to say what they think, to go where they want, and to participate in the government to state their views, they would realize with tremendous awe the beauty and the uniqueness that is ours in the liberty and freedom that our country gives us. The right to be individuals and to be ourselves; the privilege...

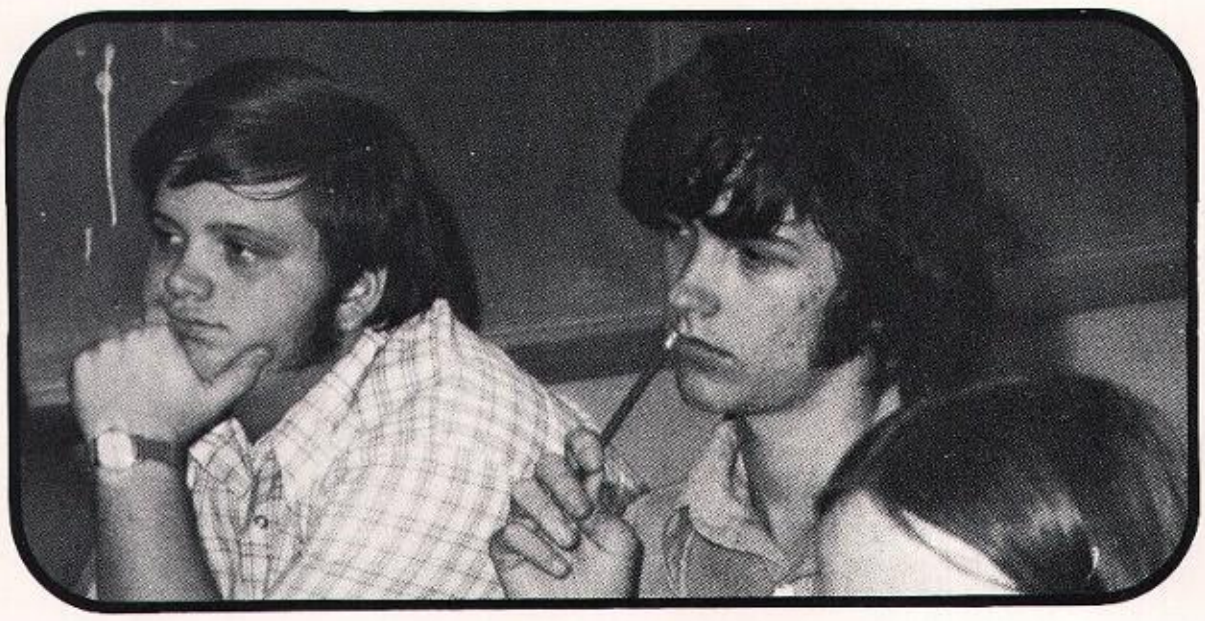
to choose our friends,
to help others,
to compete and take pride,
to serve our country,
to attain an education,
to choose a field of study,
and to do our own thing.



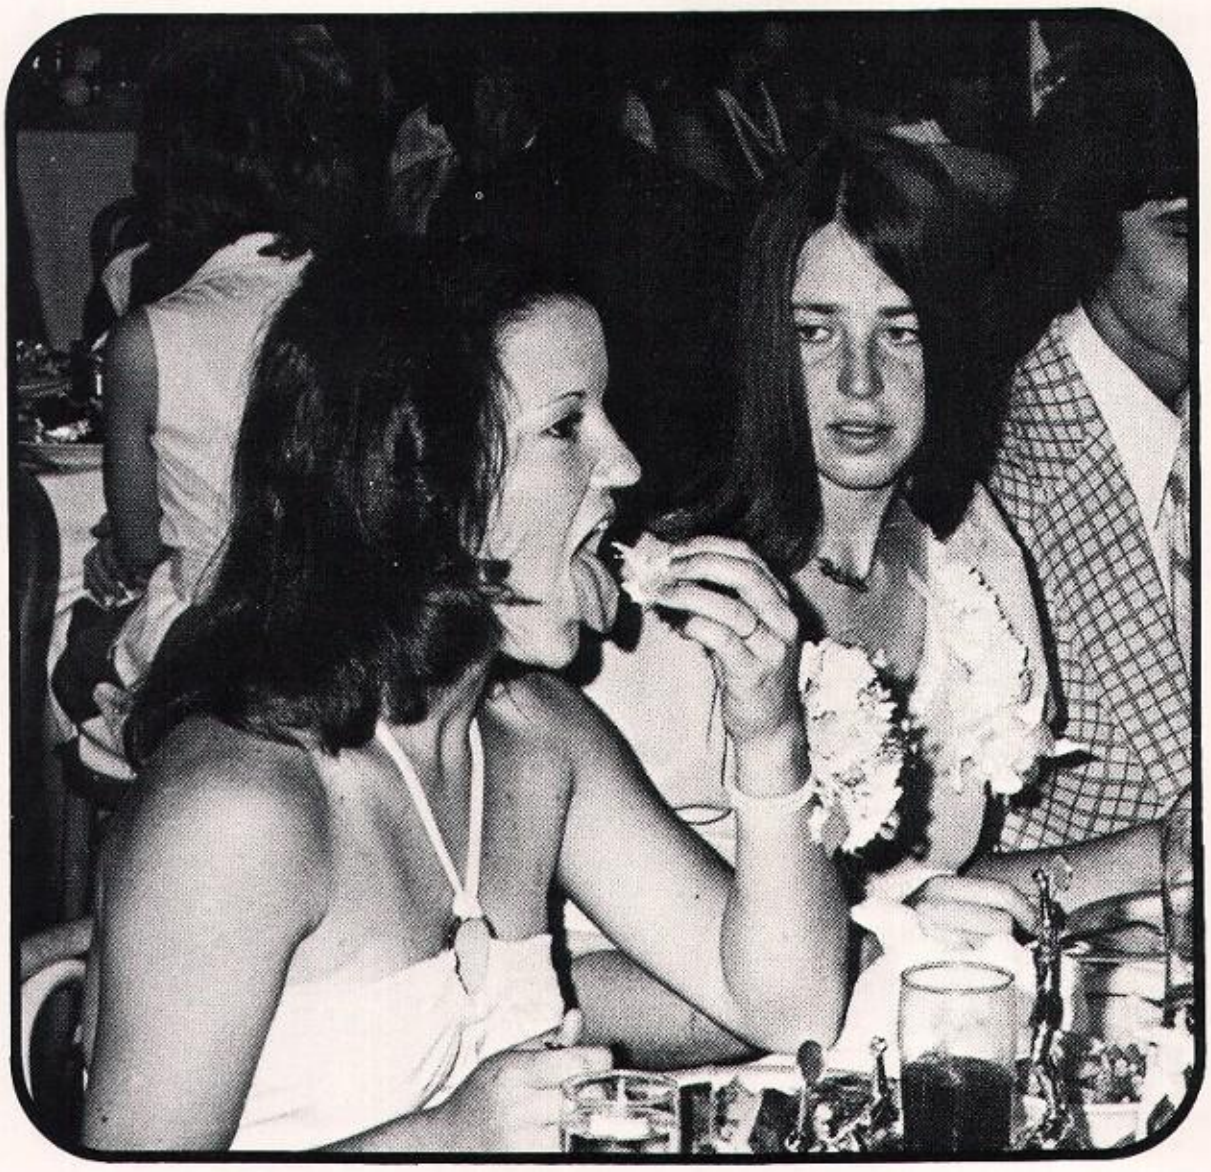


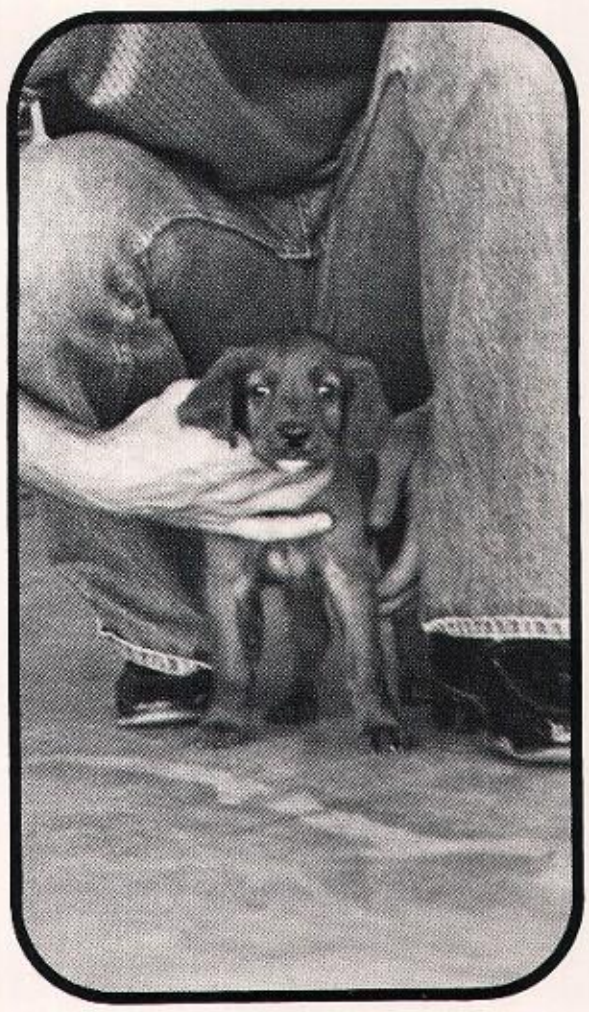


Gary Kingcade



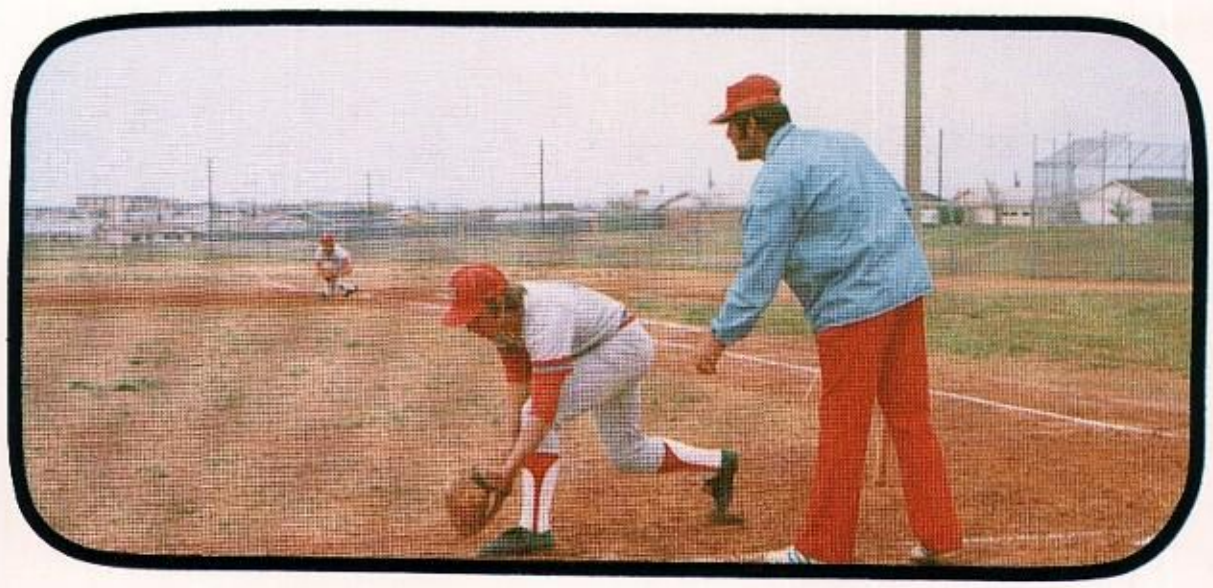
The Other Side



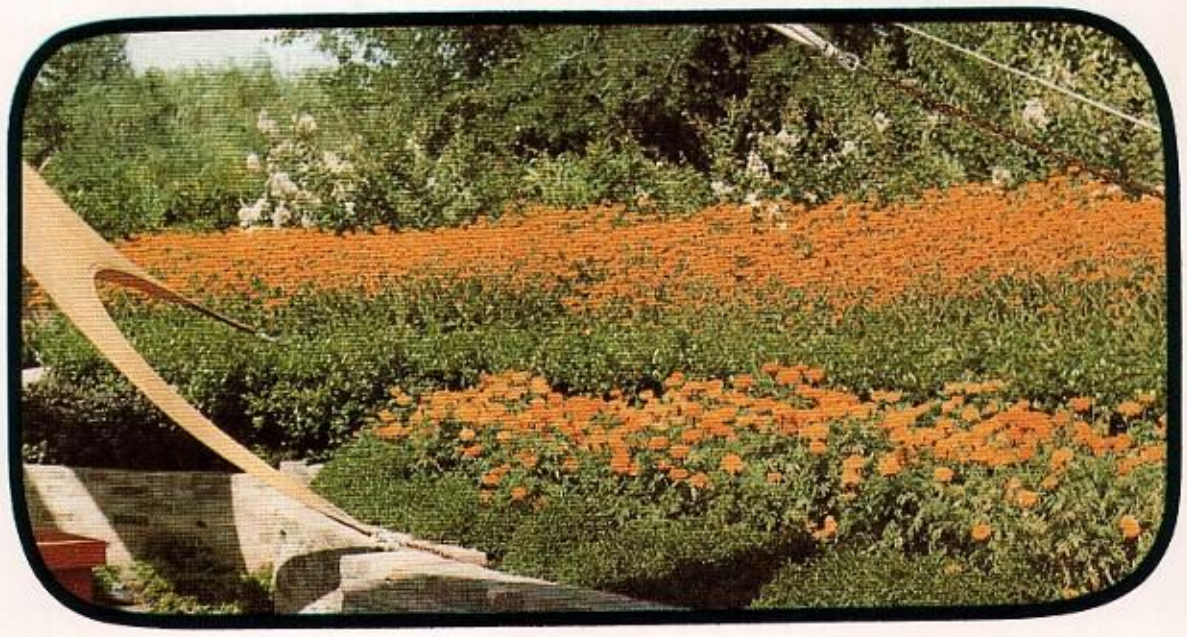


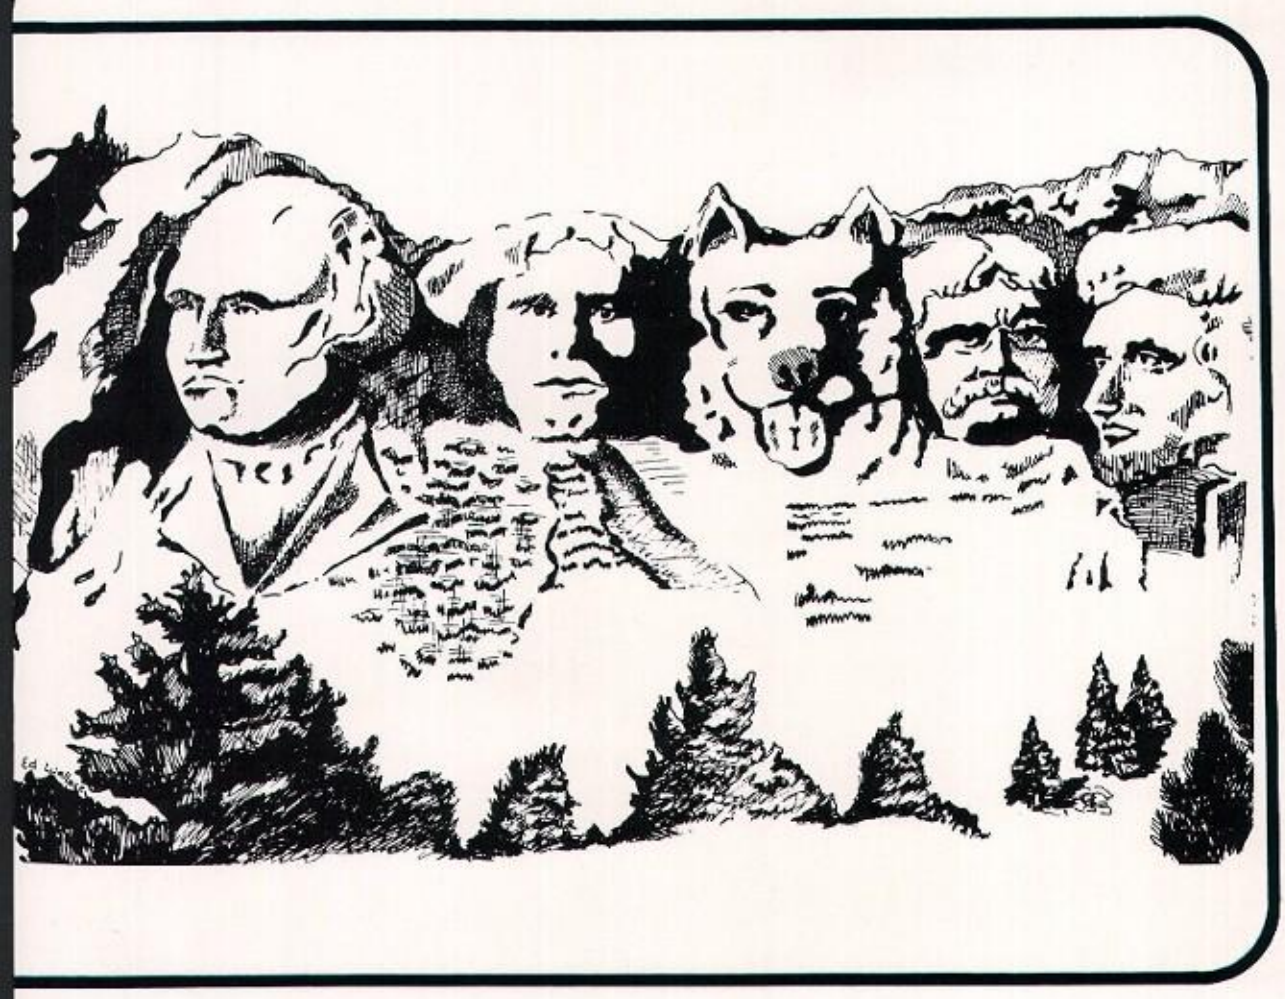
The old joke about crossing the river to get to the other side is good for a few laughs but not for a fact. In life, there are many hard times and many rivers which need to be crossed in order to achieve one's goal. Washington's goal in crossing the Delaware was to help a cause which was alive in every cell of his body-America's independence! As Washington we must believe in ourselves and in our cause:

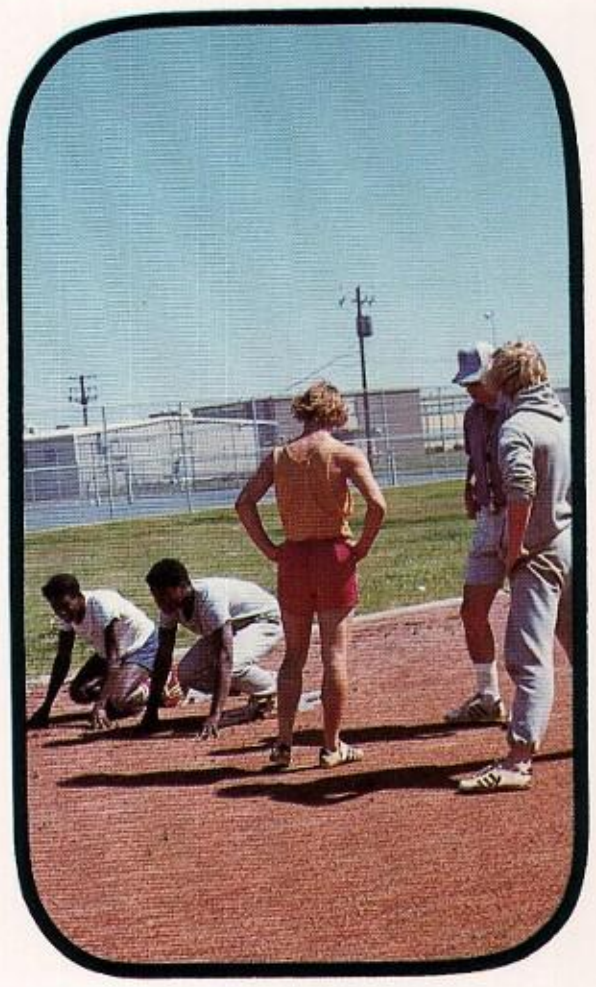
We will cross every river which gets in our way, always progressing upward.



Among The Great

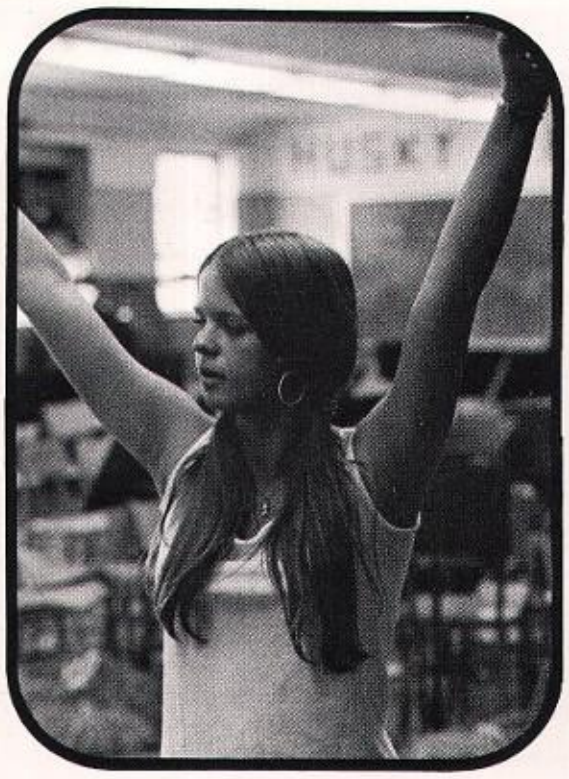


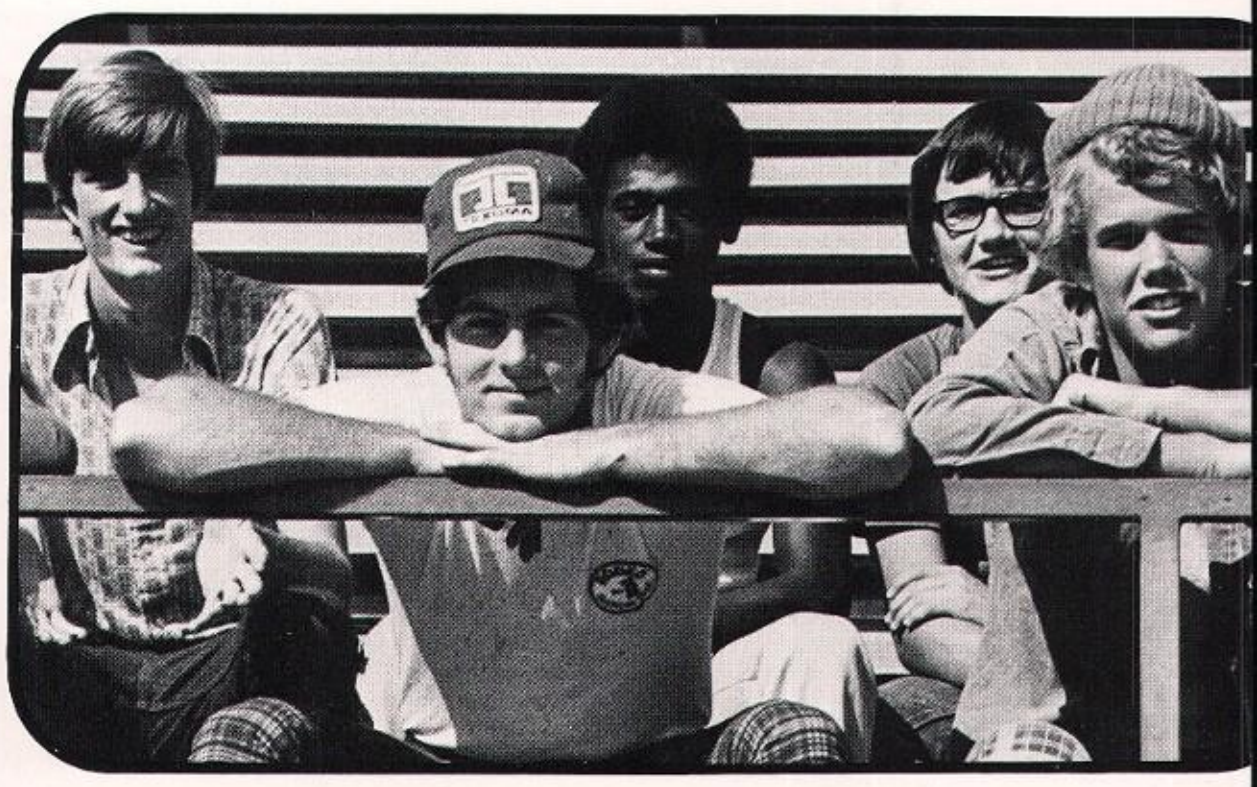


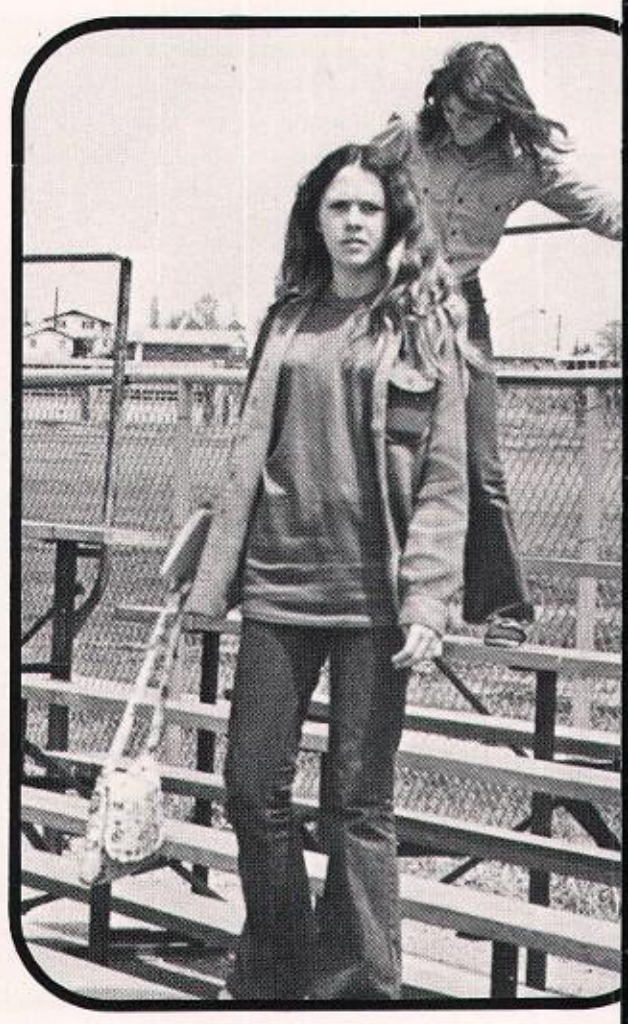


Hirschi High School has always been great and will always be among the great! It is an institution for learning and for developing the minds of America's future leaders - leaders who will help keep America on its course.

As Huskies, we are proud of our school and of ourselves. Our goal in the year of '76 is to give America everything we can, because we are truly AMONG THE GREAT!



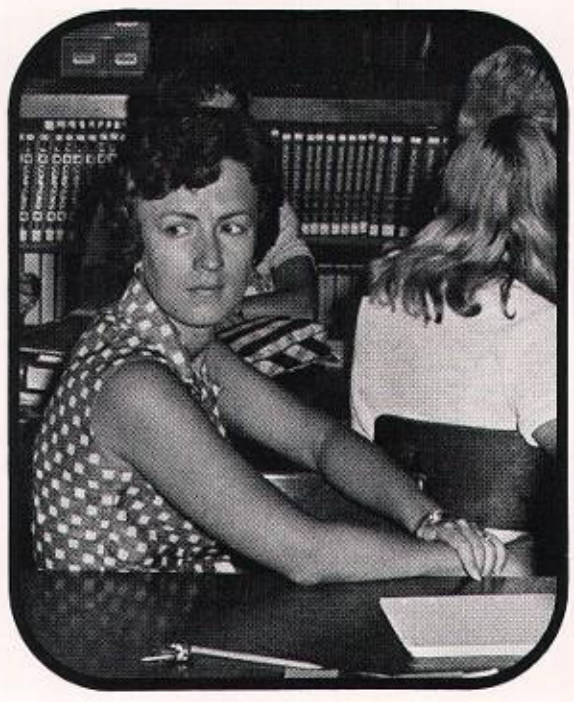


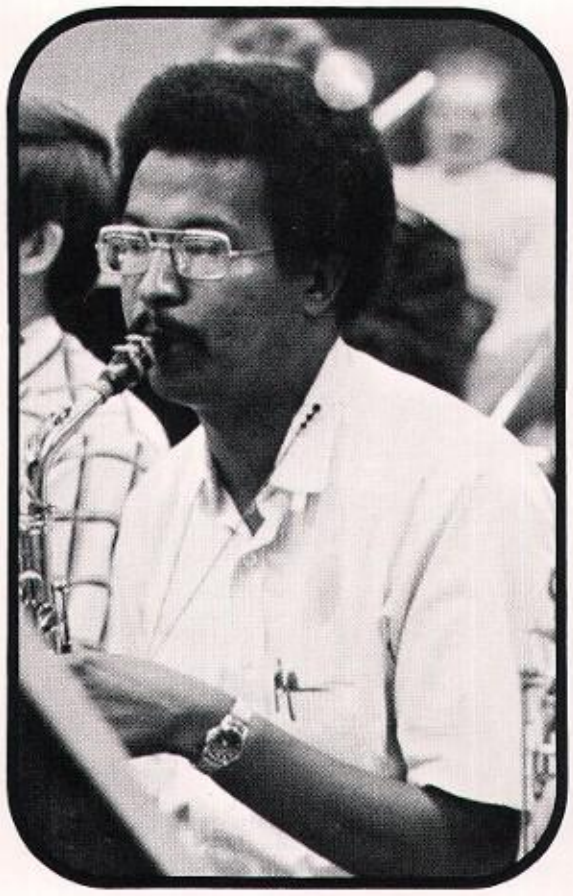


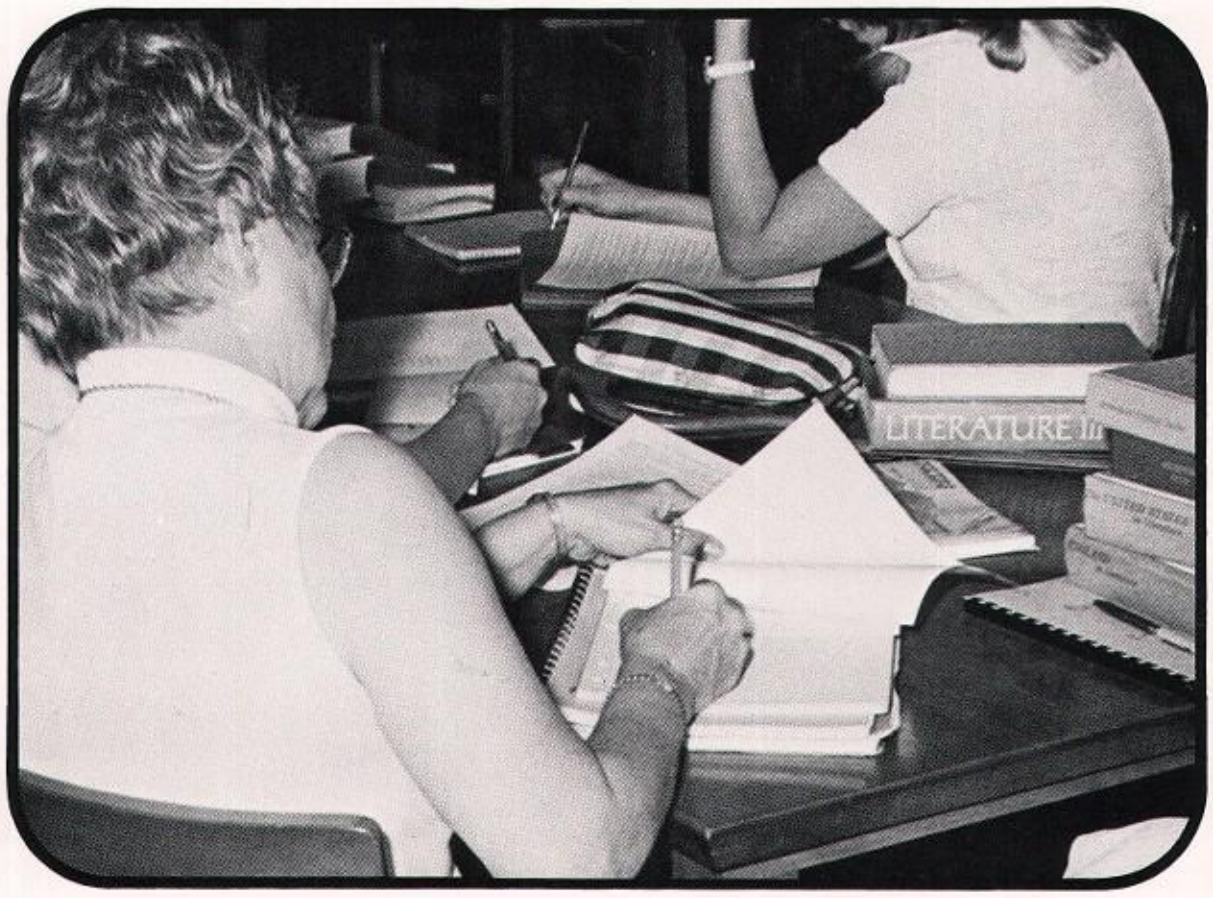
In 1492, a group of Spanish explorers reached the continent of North America. Their discovery rocked Europe and Asia and began a world-wide race to claim the rich new land. That race brought forth the United States of America-a rich blend of traditions, ideals, and goals.

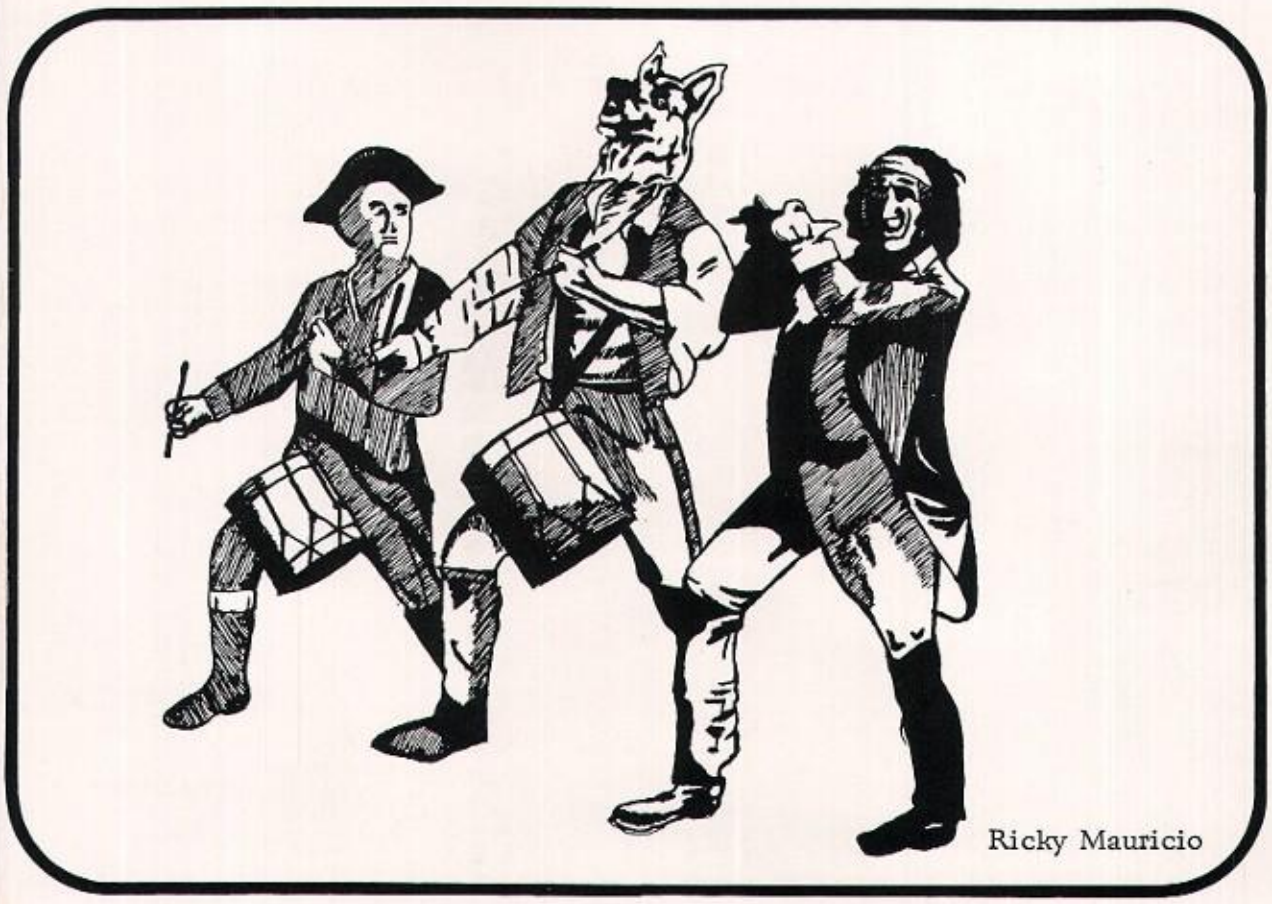
America took an early lead in many fields, such as education. The methods of teaching and learning have become so modern that each student is able to plan his own education, based on individual goals and talents. Recently, a delegation of representatives from Japan visited Hirschi High School in order to get a firsthand look at an example of this great freedom--education in America.

Teachers Don't ALWAYS Lecture

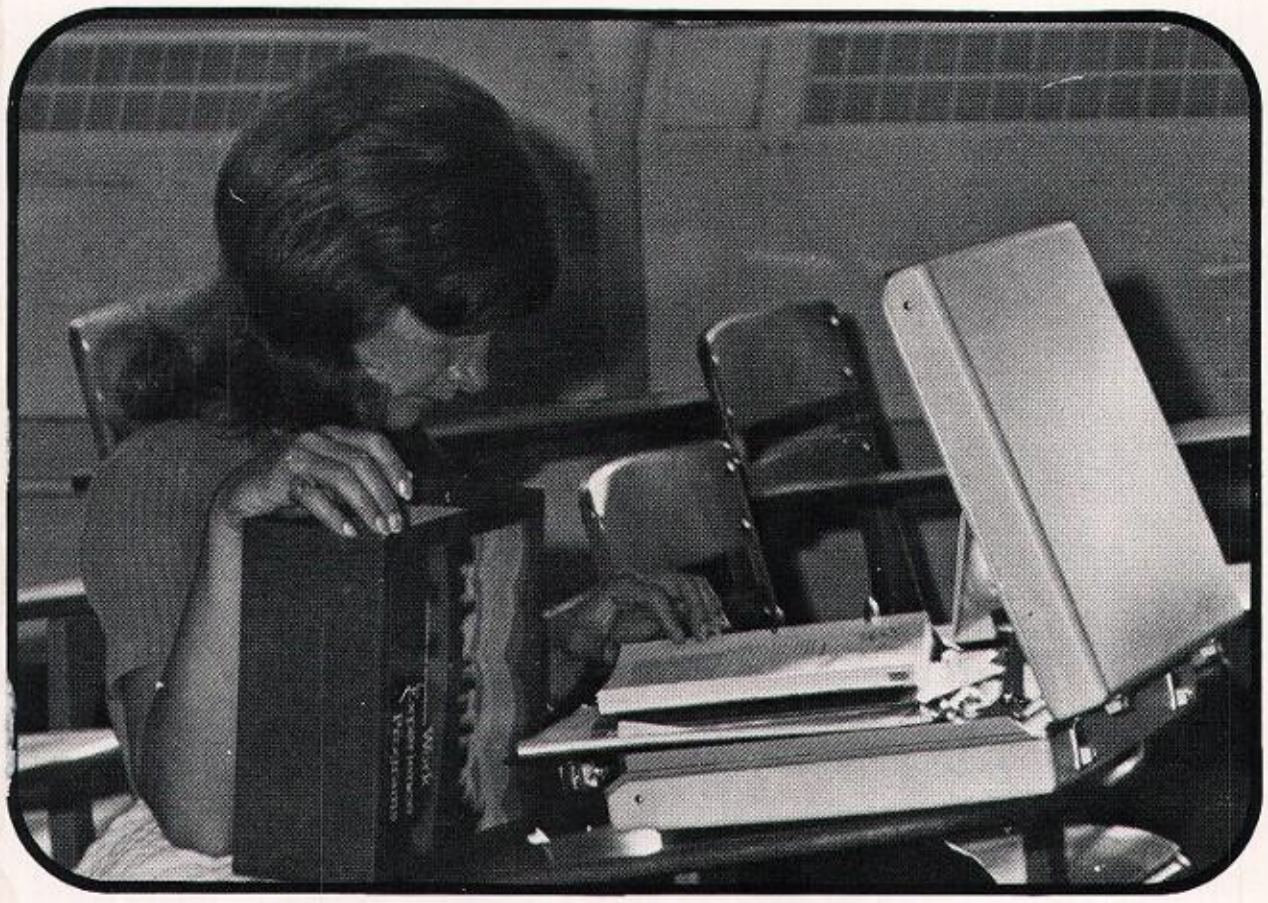








Ricky Mauricio



As leaders of the future, Huskies need a good, strong foundation to stand on. In the tradition of the SPIRIT OF '76, that platform is provided by the excellent faculty of Hirschi. These people want to help Huskies, and are more than willing to "burn the midnight oil" for their pupils. Extra time, care, and energy are spent on the part of teachers to grade papers, prepare lessons, and figure out how to meet each student with the education he needs.

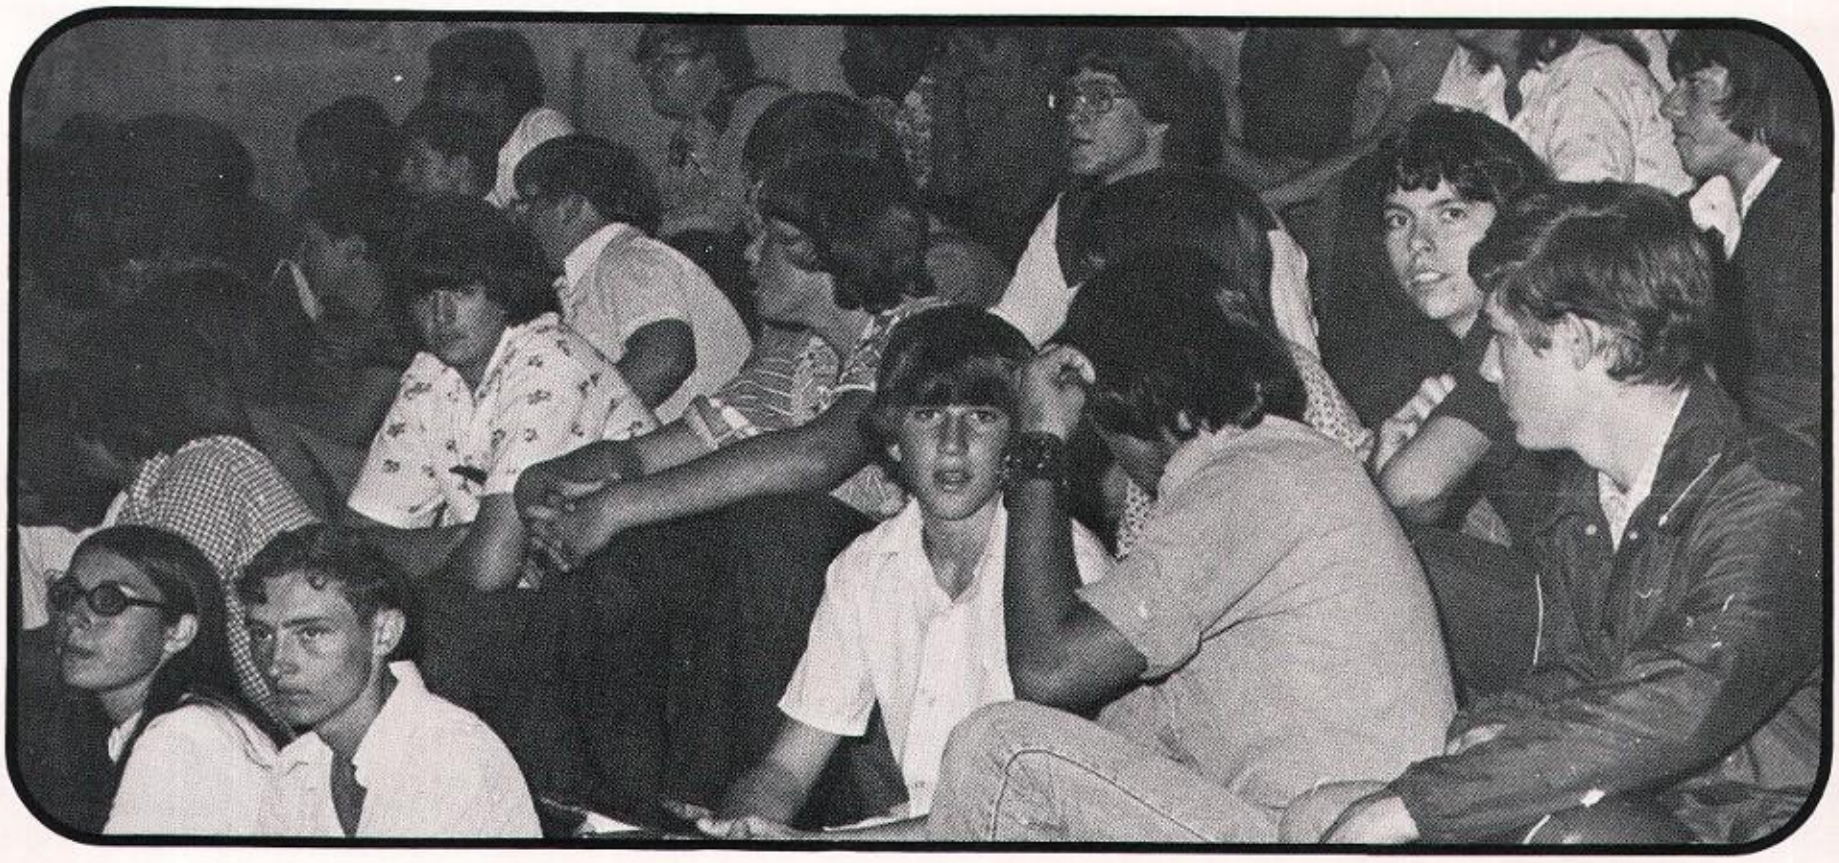
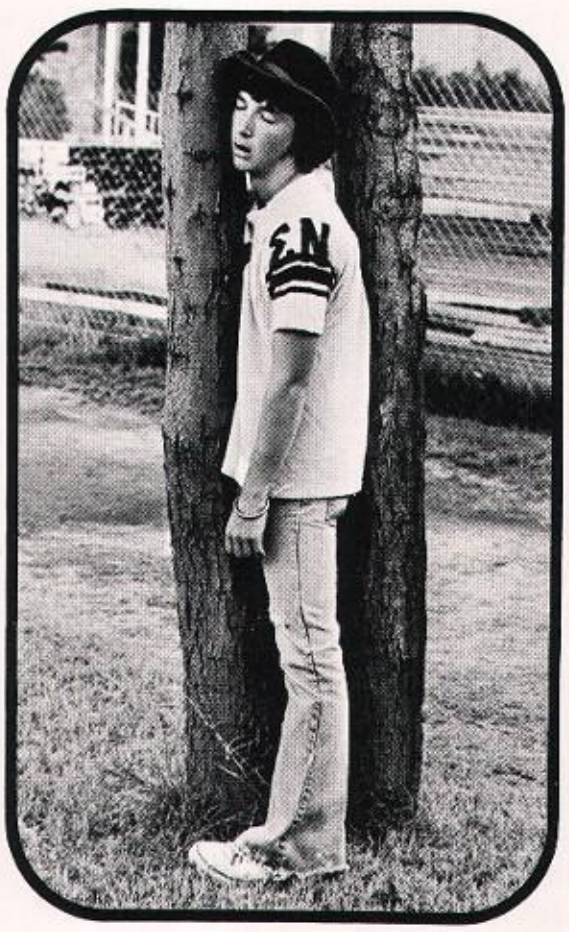
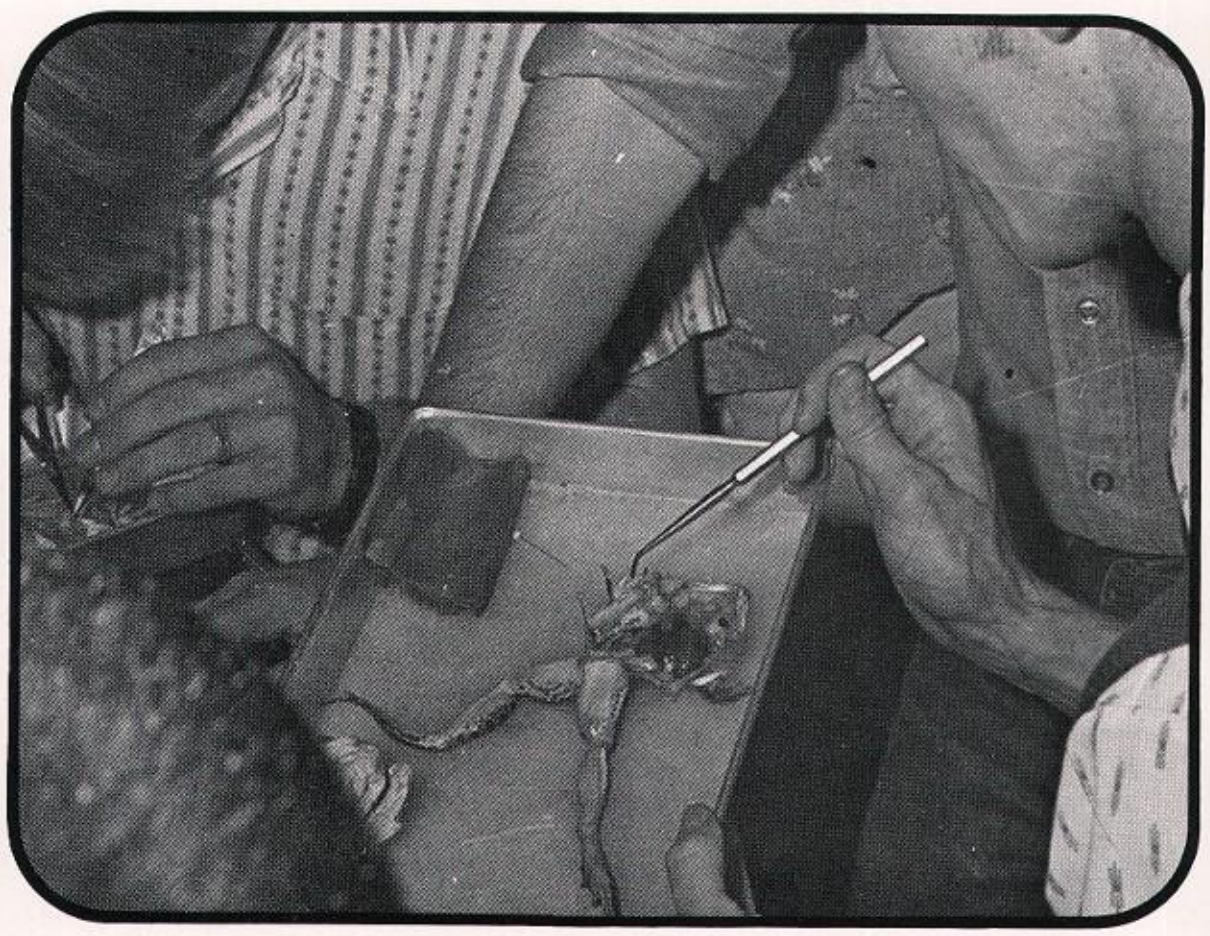
Extracurricular Activities Contribute To The Spirit Of Huskyland

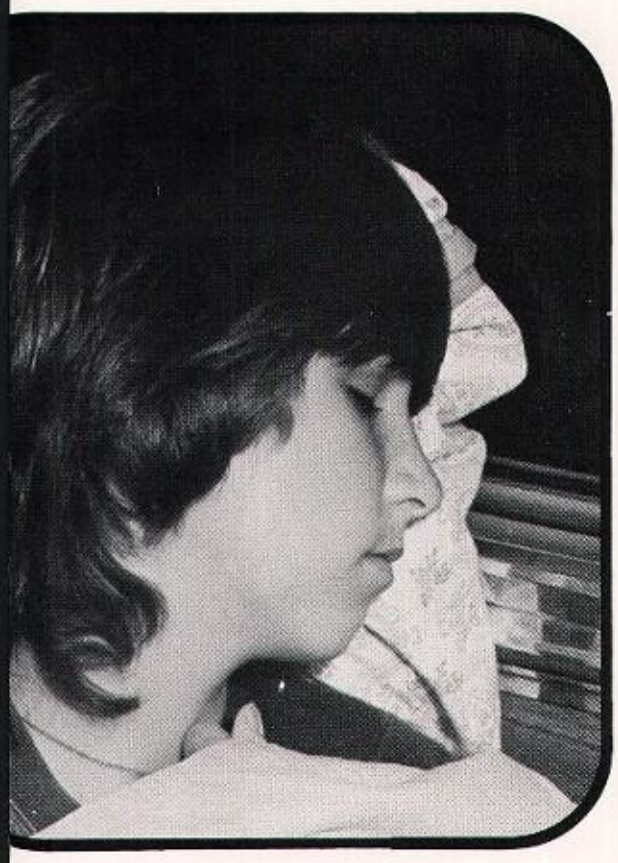
Different organizations around Hirschi provide the students with several before and after school activities. To name a few, the student council holds assemblies and such things as door decorating contests to spark spirit and to get everyone involved. Likewise, the senior class council gets spirit rolling on wheels as they decorate cars for football games.



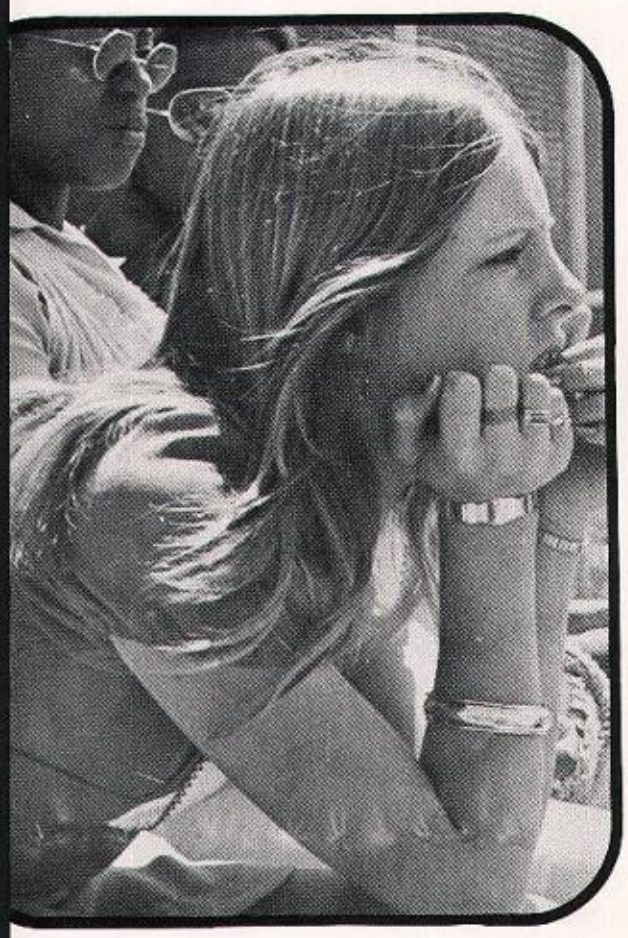




Independence Sparks Various Interests

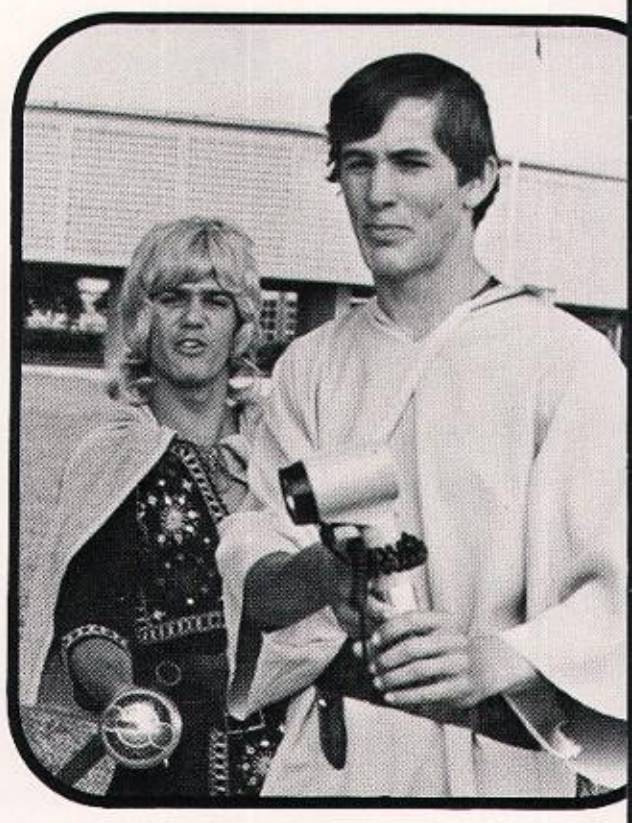


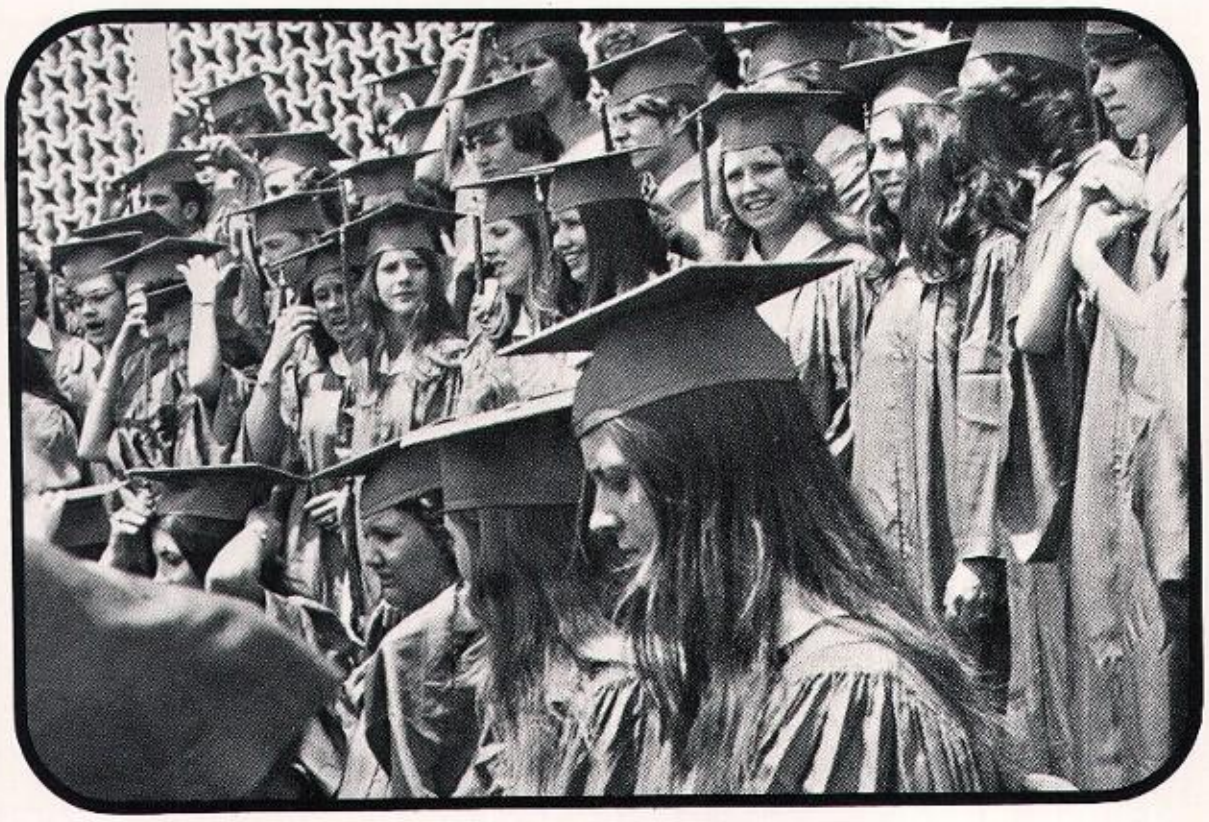
Raymond Jones

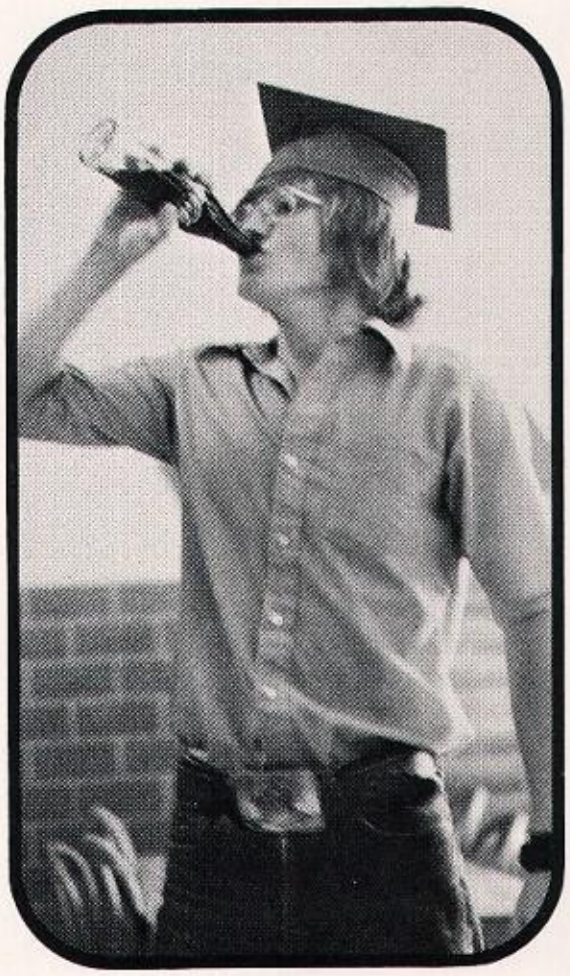


As the days fly by during the school year, Huskies are constantly busy going places, doing things, and having fun. Often, the only time for a little "shut-eye" is on the way to and from each activity. Huskies strive to be alert, on-the-ball, and always on top of everything. To accomplish this, we succumb to slumber whenever and if ever there is time. Our forefathers spent many sleepless nights formulating and summing up the American struggle for independence. Their efforts have withstood the test of time and have helped make America the great nation it is today.

Icing On The Cake







"The senior year is the icing on the cake," to quote our yearbook advisor. And indeed it is! As seniors soon "discover", they have so much to do, from class projects to graduation. Geoffrey Chaucer's CANTERBURY TALES were brought to life in a project by the English classes. Seniors dressed to represent each personality in the TALES. Also, excitement of finally completing twelve years of education is culminated in the graduation ceremonies. Nerves tingle with anticipation as the magic day draws nearer, bringing with it the promise of the future.

What we're gonna do right now is ...

Go Back . . .

Way back; Back into time ... to those golden days of bobby socks, greased hair, Elvis Presley, dances, the twist, ponytails, and thumbs up ... Those rockin' rollin' days of the fifties stand out as a landmark in fashion, music, and the American Dream. It was a cruisin' time when drive-ins were hot dates, when meeting at Pop's was the thing to do, and when graffitti held its all time high with "Up your nose with a rubber hose" and "Sit on it." Ah ... those were the days!

Choirs Perform For Appreciative Audiences

Our choir program is under the baton of a new director, J. Dwayne Hood. Emphasizing the need for a professional performance, Mr. Hood has encouraged the students to utilize the talent which serves as a universal language. Concerts in local banks, at Sikes Senter, and at hospitals and rest homes have provided a forum for practice as well as an appreciative audience for performing.

Hirschi's Band Program

The band program at Hirschi includes more than the marching band. The student who is seriously interested in the field of music may find his interests fulfilled in one or more of the special bands: the honors band, the symphonic band, the concert band, or in either of the two stage bands.

Cheerleaders Boost Spirit

Spirit ranks high in the Husky legend. Leading fellow students in yells and chants is the least of the responsibilities of the Cheerleaders. They decorate the locker rooms and the bus, and aid the Gym Dandies in filling the halls and the gym with posters and slogans to encourage our teams to even greater efforts. The cheerleaders, sponsored by Miss Kay Blancett, are Linda Kirksey, Joanna Tipton, Linda Gabbert, Sandra Wallace, Alisa Boyd, and Delia Herrera. Kendi Shaw is Husky Spirit.

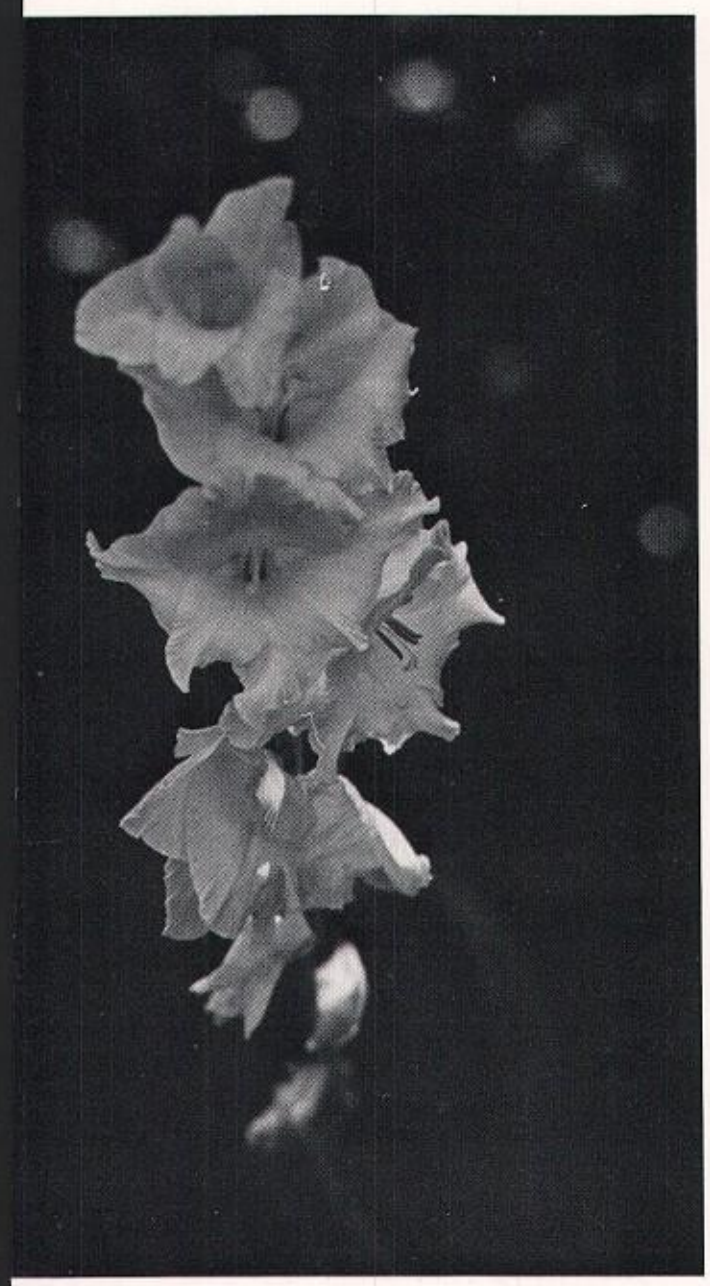
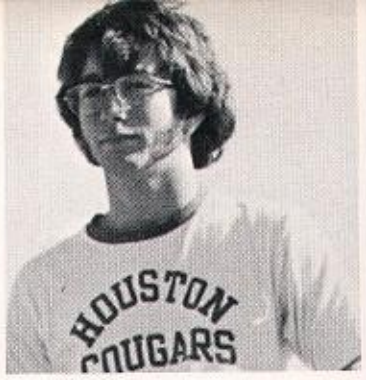
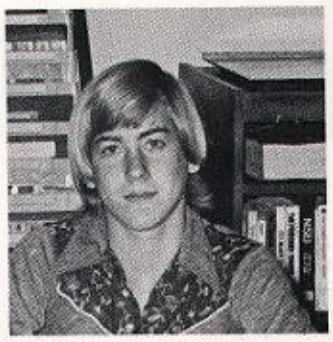
HONORS







Husky Of The Year . . .

It is with great honor that we dedicate a page in our '76 HUSKY to MRS. MYRTLE HIRSCHI LEDFORD.

Mrs. Ledford, whose father is John Hirschi for whom our school is named, has been more than an interested friend. She has been a dedicated fan--one who has strongly supported all of Huskyland with her attendance, her enthusiasm, and her voice in board meetings and in the community.

Several graduates have been able to continue their education because of scholarships which she has made available.

Ever busy in community and church affairs, Mrs. Ledford is deserving of the title HUSKY OF THE YEAR.
